Level 3 Newsletter 5/12/2013

Level Three Curriculum:

Literacy and Numeracy
In Level 3, the students have been finishing off their unit on “Early Australian History”. They have been practicing the Visualising Reading Strategy (website for your information http://reading.ecb.org/). In Writing, students are finishing off their information reports. In Maths, we have been looking at time, measurement and chance and data.

Inquiry Topic
This term, we are still learning about Aboriginal history. This topic is extremely enjoyable due to being so hands on and we are able to learn things together in groups. The students will be putting this all together into a performance in Performing Arts.

Dates to remember:

Nude Food
Every Wednesday
Library Closed for Stock take
Mon 2nd—20th December—Please return all books
Christmas Concert
Wed 11th December 5pm—6:30pm
Last Day of School
Fri 20th December—1:30pm Finish
First Day of School 2014
Thu 30th January 2014
Family Fun Night
Fri 7th February 2014

What else is happening?

Digital Excellence
This term we are focusing on Multimedia which involves skills in Microsoft PowerPoint. We are learning to add/edit slides and add animations and sound buttons.

School Gardens
The Grade 4’s continue to monitor the garden that we have developed. It adds some colour and style to our school, not to mention a home for our local wildlife. A reminder to stay clear of stepping on the plants. New crop has also been planted in the veggie garden.
Thank you to Jade and Robyn for your continued help and support!

Transition
The final transition groups have recently been completed and next week students will meet their teachers and classmates for 2014.

Prep buddies
Grade 4’s have met the 2014 Preps and will be choosing their buddies. They will be making cards to send home with their buddy, telling them a bit about themselves. This is fantastic initiative for the Prep students to start school with someone they know to help and guide them, if needed. It also gives the 2014 Grade 5’s an opportunity to step up as future leaders of the school.
