- Wed 19th March – Ride to School Day
- Thu 20th March – Whole School Photos
- Fri 4th April – Fun Food Day/Tabloid Sports/
  Last day of term – 2:30 finish

SENIOR SCHOOL INFORMATION
EVENING—Thank you for coming
Thank you to all parents and students who attended our senior school information evening. The session provided was informative and answered questions that both students and parents had.

What a start
The year has already flown by with week 7 looming. Students have settled into the year and are working hard to achieve their goals.

Level 5 students in particular have been busy exploring their new iPads and discovering how we can use them effectively in the classroom.

All classes have now started library sessions and borrowing readers. Our library days are:

- 5A—Thursday
- 5B—Wednesday
- 6A and 6B—Friday

It is extremely important that ALL students remember to bring their library and reading books, in their book bag, on these days.

Whilst we have been working hard, we have set our expectations higher for the year ahead and will continue a high learning standard in our classrooms.

Bring on 2014!

Swimming Trials and District Swimming
A quick congratulations to all students who participated in the swimming trials. Your effort and behaviour on the day was fantastic.

Congratulations also to the 21 CHPS students who made it through to District Swimming. You represented CHPS with pride and put in a wonderful performance with terrific results. Bethany especially had some amazing swims. In Freestyle she missed going through to Zone Swimming by just 1 second, however she will still be competing in Zone Swimming in Backstroke.

Reach Rookys
Reach Rookys was great fun. All of the Level 5 students came together playing lots of fun games and talking about different issues in a safe environment. We all got a chance to get along with everyone, it was a great opportunity to learn about others and make new friends. Madi D

Clean Up Australia Day—Green Day
On the 3rd of March we were able to wear green to school to show that we were participating in Clean Up Australia Day. Each class was given gloves and rubbish bags and went outside to ensure that the school was clean. At the end of it, our school was squeaky clean! Spencer H

Head lice are back! Please check your family regularly and use the necessary treatments and precautions. For more information please see our website http://www.chps.vic.edu.au/ or speak to a pharmacist.
