Principal Report  As we close the doors on Term 2, 2012 at 2:30 on Friday, I think that we should look back and congratulate ourselves on what has been a hugely, busy but majorly productive term.

Over the last eleven weeks we have:
- Participated in NAPLAN
- Held Education Week
- Completed an Extended Diagnostic Review
- Held Leadership, Teacher and Integration Aide Performance Reviews
- Completely revised, rewritten and produced our new parent information packs – a huge thank you to Natasha, Manika and Allison Balasa!!!
- Developed and prepared the content in preparation for the roll out of our new website next term.

I would like to thank our teachers on your behalf for all of their hard work and commitment our students.

As always our school is only as effective as the community members who support it. This term the parents involved have completed many essential tasks that support the smooth running and continuous improvement of CHPS
- School Council and Education Sub Committee have reviewed, updated and written many policies
- Buildings and Grounds held an extremely successful working bee
- The Finance Committee has worked hard to ensure that our Community Market and Fair will run effectively and benefit the students CHPS
- The Fundraising Committee as well as their many other efforts are crucial to the success of the ART Show which is our major fundraising effort for 2012.
- The Parent Club has really kicked goals with the highly organised and successful events that they have held so far this year.
- The Parent Helpers have enhanced our classroom programs by supporting the learning of all of our students.

All of our hard work is definitely paying off as we currently have double the number of new enrolments for 2013 than we had this time last year!!

Chelsea Heights Primary School Community Market and Fair: A joint use agreement between an outside agency and a school on a commercial basis is an extremely involved document. Due to changes in the department which have resulted in a decrease by half of legal staff available to schools, our finalisation of this agreement has been delayed. It is essential that we work through this thoroughly; hence our market will not start on the 30th of June as hoped. I will continue to liaise with the Finance Sub Committee, DEECD and Markets 2 Markets and will keep the school community informed as we move forward.

Staffing for Term 3, 2012: Mrs Caffyn will be leaving us at the end of this term to commence her Maternity Leave and she is closely followed by Ms Johannsen at the end of week 2, term 3. On behalf of the school community at CHPS I would like to wish both Mrs Caffyn and Ms Johannsen the best on the impending arrival of their babies and we look forward to cuddles in a few weeks’ time.

Mrs Strachan will remain with us in Performing Arts until the end of week 2, term 3 and will then head off to Las Vegas.

We will be welcoming back Ms Stokes, who has been teaching in Vietnam for the last two years and will be in Grade 3. Ms Arkley, who has worked regularly in our school during 2012, will be in grade 4 and Ms Greenaway is new to our school and will be teaching Performing Arts.

Traffic Signage on Thames Promenade: I am thrilled to inform you that during these school holidays electronic speed limit signs will be installed on Thames Promenade.
