Swimming

This year Preps will be walking to the swimming pool for 8 days over the two weeks so Monday – Friday and then Monday – Wednesday the second week. The Thursday and Friday of the second week will be used as bad weather days in case of rain during the other days. The first day is Monday 13th May.

They will need bathers, towel and bag to carry swimming items and a plastic bag for wet items. Swimming goggles are an option.

A notice will be coming home with further details.

Parents are welcome to walk with us, come and watch and to assist their child with changing.

Library

Children have borrowed from the Library last week and brought the book home in the red reader bag. As children return their yellow library bag we will begin to use these for their Library borrowing to avoid confusion with take home books.

Sleep-Well Study

The Sleep Well – Be Well study is coming to our school. Sleep Well – Be Well is run by the centre for Community Child Health at the Royal Children’s Hospital. They want to know about sleep in Grade Prep children. They also want to know if they can help with those sleep problems and if this improves behaviour, learning, quality of life and family wellbeing. Our school has agreed to take part in this study. Parents of every child in Grade Prep will be invited to take part. Soon your child will bring home an information pack which explains more.

Safety House

Safety House Day is on Friday the 3rd of May. Don’t forget to wear yellow.

CHPS App

Chelsea Heights Primary School has a new app to send you alerts about swimming and other important events. Go to the website for more details about how to install it.

School Concert

Our school concert will be early in term 3 and we have started practising our songs. We will be asking for help with face makeup and costumes and props later in term 2. Please let us know if you would like to help.

Thank you from the Prep Team,

Ms Bernadette Pepper, Mr Luke Aldred and Ms Diane Schmidt
