Only 2 weeks to go!!!

The students in Level 4 have already begun their Inquiry project. They have been studying Marketing and Advertising this Term and are currently using class time and specialist sessions to complete the many parts to their assignment. This is a great way to finish off the year with the students able to use their interests to direct their learning in a way that they desire.

What’s been happening in classrooms?

Students in Level 4 have been finishing off their work on Explanation texts. They have been using visual prompts to write their explanations.

Hoop time

Last Friday the CHPS Hoop Time Team travelled to the State Finals!!!!!! The team were successful during the tournament and played a range of talented and tall teams. The team won their games and progressed to the qualifying finals. They won the qualifying finals and made it to the quarter finals. In the quarter final the hoop time team went down by only a few points. It was a really close game and the team put in such an amazing effort. The Hoop Time Team would like to extend a huge THANK YOU to coach of the year Donna Foreman!!!!!!

Also a big thank you to the parents who made the extra effort to come out and support the team for their big day.

Graduation

The grade 6 students farewell their years at CHPS at their Graduation Thursday 20th December.

  Graduation Activities at Skateworld
- Tuesday 18th December
  Graduation Lunch at Foodstar
- Wednesday 19th December
  Graduation Activities at Casey Race Aquatic Centre
- Thursday 20th December
  Graduation Ceremony in Green Learning Zone

Grade 5 Student Passports

The Grade 5 students have worked so hard for the second half of the year in classes and in the yard at displaying all the qualities of a student leader. The next step in the process was to write speeches to apply for a leadership position. The students made their committee speeches last week and their school captain speeches this week. The students and panel then vote and a shortlisted group is produced. The students that are shortlisted for the leadership positions then address the grade 4s and 5s again.

Well done to all the Grade 5 students who presented such professional speeches that were well practiced. It requires extra effort to complete these tasks as well as their normal class requirement.

It was great to see students organise their time extremely well and show responsibility for their learning and commitment.

That’s all from Level 4!!!

Aleesha Wood, Liz Evans, Donna Tesone & Emily Coomber (Level 4 Teachers)
