Principal Report

Countdown to End of Year

The countdown has begun to the end of the year but as in all Primary Schools rather than winding down our staff are busier than ever.

There are many activities being coordinated and implemented including; Level 6 Graduation and their exciting last week activities, CHPS Christmas Carols, Whole School Transition, Foundation Transition and the announcement of our 2016 Student Leaders.

On behalf of the school community I would like to congratulate three of our staff members on their successful applications for new positions:

1. Ellen Cake will be teaching at Mt Eliza Primary in 2016. This has been Ellen’s first year of teaching and she has been an integral member of our Foundation Team.

2. Nick Antoniou will be teaching at Footscray North Primary School. Nick travels from Yarraville every day and although he will be sadly missed as a member of the CHPS staff, we are thrilled for him that he will no longer have this huge commute.

3. Liz McConville (Evans) who continues to challenge herself and grow within her profession will be taking up a specialty position at Mordialloc College working with Year 7 & 8 students to improve Literacy and Maths. Liz was a graduate teacher when I commenced at CHPS in 2008. Over the last 7 years I have watched her grow and seen her knowledge and passion for teaching and learning go from strength to strength. Liz has held many roles vital to the ongoing improvement of our school including:
   - Whole School Maths Leader
   - Level Manager
   - Senior School Leader
   - Maths and Reading Specialist

At the heart of everything that Liz has done at CHPS are her strong interpersonal skills and ability to engage others. Liz had worked extremely hard to drive further improvement in teacher practice and student learning at CHPS and she will be a huge asset to both the staff and students at Mordialloc College.
I would like to congratulate Ellen, Nick & Liz on a number of levels:

1. The courage it takes to continue to challenge yourself within your careers

2. The commitment and attitude to excellence that they have all demonstrated at CHPS and;

last but by no means least, on being the successful applicants for their new positions.

We are also saying goodbye and thank you to four other staff members as we move towards the close of the 2015.

Katie Ryan has worked at CHPS since 2007 as a highly valued member of our Integration Team. Katie has brought a wealth of experience and passion to her role within the CHPS Integration Team. She has experienced many changes in our school during her time with us. Whether this be in leadership, the coordination of the program or in the methods employed to support our students, Katie has always been open to change and to learning and this is evidenced further by her decision to leave CHPS to complete her Diploma in Community Service.

Laura Erskine has been a huge asset to our school in her role as a member of our Integration Team. Laura has brought her enthusiasm and commitment to our PSD program. She has actively taken part in all Professional Development opportunities that have been offered to her and actively engaged in whole school celebrations and programmes. Laura has also supported the school with the entry and analysis of behavioural data which has been highly valuable. Laura is leaving us to complete a teaching degree.

Zara Love has only spent one year with us but in that time she has proved herself to be an invaluable member of staff. Zara is a quiet achiever who has been a strong and supportive member of the Junior Sub School. We all wish Zara well and can’t wait to meet her baby when it arrives.

Collette Joannidis has been a great asset to the Senior School. It is never easy to step into a colleague’s shoes halfway through the school year. When Liz McConville was the successful applicant for the Maths/Reading Specialist role - which became available as Aleesha Wood commenced her family leave – Collette stepped in with her enthusiasm and experience and made it her business to ensure that the students’ transition into Semester 2 was a smooth as possible.

On behalf of the CHPS school community I would like to wish Katie, Laura, Zara and Colette the very best for the future and thank them for their numerous contributions to our school and its students.

June Elliott:

As a school that is 115 years old we have had many key people who have contributed to making it the fabulous school it is today:

Lyn Hayes worked in our administration office for 27 years and the office area of the school is dedicated to her.

Danny Mulqueen was Principal here for 17 years and contributed much to the educational and physical development of our school in that time. He successfully achieved funding for our Foundation building now known as the Danny Mulqueen Centre and the building of the June Elliott Centre.

Today I want to talk to you about June Elliott

June Elliott taught at CHPS commencing 1952. When she commenced, the school was called Carrum North State School. Mrs Elliott worked part time and taught sewing lessons to girls in Grades 6, 7 and 8.

In 1953, when Mrs Elliott commenced fulltime teaching, the school was a 2 teacher, 8 grade school with all 8 grades in one room. The school’s enrolments increased and the junior students were moved into the Wells Rd Hall.

June’s memories of this hall in “Out of the Swamp” which was produced for the CHPS Centenary celebrations in 2000 say that:

- She had to move all of the classroom equipment out on Friday afternoons as community groups also used the hall and
- If it rained, buckets and tins were placed everywhere as the roof leaked

In 1961 Carrum North State School was renamed Chelsea Heights Primary and moved onto this site. It was now a 3 room, 3 teacher school.

Mrs Elliott taught Infants, Preps, Grade 1s and 2s at the new school which now had over a 100 students.

When she retired from fulltime teaching in 1980 Mrs Elliott had taught in all 6 levels of the school.

From 1908 to 1988 Mrs Elliott worked part time as a teacher aide to support special needs students who were being integrated in to the school.

In all June Elliott taught at Chelsea Heights for 36 years. Sadly June passed away last week. I am meeting with some ex-students of CHPS who knew Mrs. Elliott and they will be helping me to write a letter of condolence to her family on behalf of the past and current CHP school community.

It is important to take the time to recognise and celebrate June Elliott’s many contributions to CHPS.

School Transition
On the 11th November we had our first of four whole school transition sessions. This has been an invaluable program since 2012, where students have an opportunity to experience the following year level with new teachers and friends. The final session will be on Tuesday 8th December which will also coincide with the final Foundation 2016 session. All students will meet their 2016 teacher and their new peers. This is a very exciting day for both teachers and students.

Our Working Bee
I would like to thank the Buildings and Grounds Committee and the community for attending our Term 4 – Working Bee. Your efforts are very much appreciated and it was wonderful to have such a large turnout. We would like to following people for attending:

Foundation Playground
In preparation for next year, the Buildings and Grounds team have approved a new playground for the Foundation area. Like any structure and one of this scale, it comes at a significant cost and as a school we rely heavily on donations and fundraising. With the funds that were raised by the parents and the community at the beginning of this year with the hugely successful fete, this playground was made possible. I have attached a picture of the playground that will be installed in the Foundation area in January and the existing structure will be relocated to the playground at the front of the school. A plaque will be installed to acknowledge the funds raised by our parents and the wider community.

The last few weeks in the library have been busy with book club orders being placed and getting the library ready for stocktake! All Fiction and Non Fiction books are to be returned by Friday 27th November so stocktake can begin and run smoothly. If any parents would like to come in and assist me with stocktake it would be much appreciated, I have hundreds of books to scan!!

The students are able to borrow readers up until Friday 4th December to enable the teachers to continue with Daily 5 Reading.

I encourage all students to keep up their reading during the holidays—you have all done a wonderful job with reading this year, keep up the good work!!

To all the parents and students who have donated time this year to help me out in the library I send you a super special thank you from the bottom of my heart, I really do appreciate your help.

To the staff who have helped me with the shelving and contacting a huge thank you to you all!

I would like to take this opportunity to wish all CHPS students, staff, and families a very Merry Christmas and a happy healthy new year to you all. I look forward to seeing you all in 2016!

HAPPY READING 😊

In Japanese lessons this month we have been looking at a celebration for children of the ages three, five and seven, called shichi-go-san. It takes place in Japan around the 15th of November. Girls who are seven years of age, boys of five years and boys and girls who are three years of age dressed in their best clothes are taken to a shrine or jinja to pray for health, long life and happiness. Parents also give their children a special bag of lollies called chitose ame (“thousand year lollies”). It is believed that children who eat these long red and white sticks of candy will have a long, happy life.

These paper bags contain red and white stick shaped sweets- Chitoseame –for long life

School Performing Arts Productions

Following on from two very successful School Productions in Term 3, the Performing Arts Team presented their analysis and survey feedback to School Council. The survey from the school community demonstrated positive feedback for the new approach of Junior and Senior School Productions.

Parents enjoyed roaming the school for the Junior School and felt that this highlighted their child’s learning in a fun and engaging manner that was appropriate to their age group.

Holding the Senior School Production in a theatre environment provided students with a realistic experience, which students and parents valued.

The overall feeling from the School Community was that this change in format was well received. It highlighted positive learning outcomes for all students and as such is the model that will continue in 2017.

Plus:

- The two separate shows worked well for students as there was a student outcome focus.
- The matinee was well attended
- Concept of Junior School class performances was well executed
- Quality of work produced a high standard
- Effort put in by all teachers was tremendous
- Amazing set and costumes for both shows
- Great use of lighting and sound for senior school
- Senior school students rose to the challenge of doing a complete show

Minus:

- It was cold on the night
- The QKR program was difficult to monitor
- Not all students had a speaking role
- 5/6 were involved in junior school as well as senior school
- Some students hard to hear at times
- Communication could be improved between school and parents regarding notices and information.
- Some of the venues were squishy

General Comments:

- I thought it was great
- Thoroughly enjoyed all performances and children were enthusiastic and performed very well.
- I think the children enjoyed it more performing in front of a smaller group of parents rather than a big group in a theatre. They could interact with the audience too. Good job.
- I really enjoyed every moment.
  
  Great performances

School Choir News

Our little school choir has grown in numbers and has been enthusiastically rehearsing for 2 upcoming performances:

- CHPS Christmas Market on Saturday 28th November at 1pm
- Chelsea Manor Thursday 3rd December

We have been rehearsing a range of Modern, Classical and Christmas tunes so if you are at our school market, please come and show your support for a group of very enthusiastic and dedicated singers!

Any students who are interested in joining our choir for 2016 are welcome to pop in and see what Choir is all about. We have already had a few Foundation students sit in and sing along with us.

All welcome - Wednesday 1st half of lunch!

Lindy Powell
Busy time in Performing Arts!

All of the classes are working hard on their performances for the Christmas Concert; yes it is that time of year again.

This year we are trying something new - following the feedback we received from parents last year we have moved the concert to the GREEN COURTS. This will allow sound to travel better and help create an intimate atmosphere for the show.

The theme of this year’s concert is the ‘Christmas Card’. Each year level will be exploring different styles of Christmas Cards and what it would mean if the card could actually sing and dance. We don’t want to say too much more or it will spoil the surprise and there will be a few surprises on the night as well!!!

The Level 6 students are also working hard on their final performance for the year - their graduation number. This year they are extending themselves and creating an ‘all singing, dancing and drama’ piece that travels through the ages. Make sure you come to the last assembly of the year so that you can see all of their hard work on stage.

November 2015

Hello,

Please remember to go online to check or cancel bookings and update details regularly so we can run an efficient service and remember there is a 7 days cancellation policy prior to all cancellations. All current bookings will roll over into 2016.

Dates to remember:

Saturday 28th November 2015 – Christmas Market – Our Camp Australia team will be face painting.
Friday 11th December 2015 – school Christmas Carols concert – Please see Mandie for permission to take your child directly to carols from after school care.
Friday 18th December 2015 – Last Day of School Year – Service open BSC 6.30am to 9.00am ASC 1.30 pm to 6.30 pm.

This month we are supporting The Camp Australia Foundation and Oxfam in the Junior Global Citizen Program by making Christmas gifts for the children of Port Elizabeth in South Africa. The children become aware of the world and its diversities and what it means to make a difference in the lives of people less fortunate than ourselves.

They made jigsaw puzzles, literacy and numeracy games for the children of Port Elizabeth as Christmas gifts.

On The Wednesday 11th November we had our annual Diwali Day Celebrations. We tried Indian sweets and spring rolls, had fake tattoos, sparkles, chalk rangoli and dressed up in traditional dress. The children were taught an Indian dance from Sonia. They had fun making lanterns, colouring in rangoli patterns and decorating candles. A great time was had by all.

This month we will be making Christmas decorations and unwinding for the end of year.

A BIG OSHC THANK YOU TO THE FOLLOWING FAMILIES:

A very special and very BIG thank you to The Pathik Family for all their time and support when sharing Diwali day with us all.

A BIG thank you to Larni Bishop and Kim Bohmeyer for their donation of a Christmas tree. We will have fun decorating it with our handmade decorations.

A BIG thank you to Chevelle for her donation of spare dinosaur cards.

A special BIG goodbye and good luck to all our Level 6 students for next year and those families who are leaving Chelsea Heights.

Have great month and remember to look after yourselves and each other.

Thank you
