The Final Countdown!
It’s hard to believe that there is only two weeks remaining for the 2014 school year. It is a very busy time for teachers and students and we are all getting very tired. Lots of early nights are highly recommended! It’s also a very exciting time of year as your child transitions into the next stage of his/her school life. Our whole school transition program has given your child a wonderful opportunity to meet new teachers and interact with new faces.

Mathematics
During our Mathematics sessions we have been revising concepts and extending our students in the areas of, factors of ten and higher numbers, place value, counting on and counting back strategies, ordering numbers, addition and introducing mass—comparing and hefting.

Literacy
We have been working hard with writing narratives, further exploring a complication or a problem in a story followed by a solution. Students have been creating and incorporating their own character in their writing and producing some entertaining reading for teachers.

Transition
The state wide transition session is on Tuesday 9th December. For this session your child will be placed with his/her designated teacher for 2015.

Assessment and Reporting
Reports go home on Thursday 18th December.

Thank you!
The Foundation team would like to express a sincere thank you to all our families for all your support throughout the year. We have enjoyed getting to know you and appreciate the help you have offered in the classroom and extra curricular activities. We trust that your and your child’s journey through Chelsea Heights Primary school will continue to be a positive and happy experience and we wish you the best of luck for 2015!
