Principal Report

ONSITE EARLY CHILDHOOD CENTRE

The 30th October, 2014 has been an amazing day for Chelsea Heights Primary School! Our School Captains Ruby and Jack supported by their leadership team greeted the following dignitaries:

- The Honourable Wendy Lovell, Minister for Housing and Minister for Children and Early Childhood Development
- The State Member for Mordialloc, Lorraine Wreford
- Councillor Paul Peulich, the Mayor of Kingston
- Phil Kimberlee, our School Council President, members of School Council and members of the Kingston Council

These dignitaries were at our school to announce that the Chelsea Heights Primary School Community is the recipient of two million dollars in funding to expand our facility to include an Early Childhood Learning Hub.

On completion this will create a learning centre supporting children from birth through to 12 years of age. In light of the dedication and hard work of the CHPS staff and community to create a rich & supportive education environment for our students – I believe that it is truly exciting that our school will now be able to provide the children of Chelsea Heights with a smooth and seamless transition from Kindergarten to school.

(What a brilliant birthday present!)
Thank you to parents who have lodged 2015 friendship request letters at the office. As per my report in the June 2014 newsletter, Friday October 31st is the last day that requests will be accepted for consideration. Included in the June newsletter was our Class Structure and Student Placement Policy which outlines this process.

On Wednesday November 12th we begin our Cross School Transition Program.

Transition Program Philosophy

- The ‘Level 1 to 6 Transition Program’ is designed to assist with determining effective student social and learning dynamics and easing transition anxiety for the following year.
- All students will participate in a five part cross school transition program.
- There will be four one hour sessions where students will be placed with teachers who are in that area this year.
- These sessions will not reflect their teacher who will be teaching them, or the students that will necessarily be in their class.
- The fifth transition session will be for a longer period of time, coinciding with the State Wide Transition Day on Tuesday 9th December.

At this session students will spend the entire morning with their actual 2015 class with their allocated teacher.

Canteen

Hi Everyone,

Online ordering on Qkr! started last Wednesday and a few people have already used it. Thank you for your support.

Qkr! is a great app that allows you to order lunches from the canteen and pay for them at any time from anywhere. This way you can place your order a week or so in advance or on the morning (before 9am) of the day your child is to have a meal from the canteen. By using the Qkr! app you no longer need to worry about if your child is going to remember to put their order in the tub or finding the right change. Simply click on our CHPS Qkr! app, go to the canteen and place your order and pay.

Please note, to ensure all orders are ready in time, we have changed the Qkr! ordering deadline to 9am.

Library

What an amazing time we have been having in our library over the last 2 months. It’s been so rewarding listening to the responses and better still seeing the faces of students as they walk into our library and notice all the progressive changes. A massive thank you to all the staff, students and parents who have helped in so many ways. Our library really is looking and functioning wonderfully, especially now our new computer has been set up and has eliminated all the server and processor errors. Sorry for any inconvenience caused last week due to the old computer.

A MASSIVE THANK YOU to everyone who supported our Book Fair at the end of last term. We amazingly made over $1,000 in profit for the school. It was wonderful to see everyone so excited about books and sharing their reading experiences. Thank you too to all those who voted for their favourite books for the library. The most voted for books—The Treehouse series, Marvel Origin Series, Minecraft handbooks, 2015 Guinness World Records, Ripley’s Believe it or not, Adventure Time Joke Book and a few others—are now available to borrow (or will be next week). As these are very popular, please remember to reserve them via the CHPS OPAC and to return them on time to be fair to others.

Please remember that our CHPS OPAC can be accessed anytime from anywhere you have internet access. The OPAC link http://opac.chps.vic.edu.au:443/ais/AccessItLibrary;jsessionid=1f8m8ko1x8omh5 is available from the library page of our school website. Here students and staff can login to research, find books, reserve books (especially all the new books we have recently added to the library), write reviews, update email addresses and passwords and much more.

Thanks again for all your help and support.
We were greeted on Tuesday 21st October with blue skies and sunshine in preparation for our whole school Walk-A-Thon. The students were set on their way around the course to see how many laps they could manage in an hour. With an astounding amount of high fives and completed laps the event came to an end and all students enjoyed a well deserved icy pole.

A big thank you goes out to our CHPS staff and also to the many parents that came along and helped out on the day. We had people on check points, marking off laps and others walking the laps with the students, which was great to see and not forgetting all the encouragement and high fives that were given.

If you haven’t done so already it is now time to be collecting your pledges that were made and returning the money to your classroom teacher as soon as possible please. Alternatively you can pay using the Qkr app.

Let’s see if we can beat or come close to our total from last year of $5,312.

Thank you again for your support.

At the end of Term 3, Level 4 went to camp at Golden Valley Lodge for 3 days with Miss Baker, Mr Duncan, Mrs French and Ms Allsop.

Andrea was the owner of this remote, adventurous place. We admired her cute but sick dog named Sunshine.

On Monday, we played games, had free time and made kites. At that point, it was pretty cold and windy. We were worried that we’d be couped up inside for three days! The rain did eventually stop and we went for a walk around the campsite. We saw kangaroos. It was interesting to see them and their joeys. We got to fly our kites, which was entertaining. After dinner, we did the X FACTOR SPECTACULAR. People did tricks, jokes, singing, dance routines, cheerleading and acting.

On Tuesday it was ACTIVITY DAY! Everyone was excited. We got split into groups and went on the flying fox, giant swing, ropes course and did archery. Each activity we did for an hour, they were challenging and enjoyable. In between time, we stopped for morning tea, lunch and afternoon tea. Oh, have we mentioned how well Andrea and the cooks fed us on camp? The food was amazing!

In our free time we played with sport equipment, bounced on the trampoline, played Ping-Pong and played in our cabins.

On the last day, we did bush hut building down by the stream and team building activities on the planks of wood. Building a bush hut required a lot of team work and then Mrs French threw a bucket of water over the hut to see if the roof leaked – we were inside it at the time!

Sadly, it all came to an end! We packed up, had our last room inspection, ate lunch, said goodbye to Andrea and Sunshine and drove back to school.

**TASKWORKS**
On Friday 24th of October Level 5 went to Taskworks in Mulgrave. This was the beginning of our inquiry project which is design and creativity. The activities were pegfast where you put heaps of pegs in a wall of holes and the team who got the quickest time at the end was the winner. In the puzzle room there were massive building blocks in which we could create anything we want. Our group made a castle but there was also an igloo and a fort made. In this activity room there were also racing bikes where you could race against another person. Another activity, and my favourite, was the cable maze. In this maze you had to find your way around a forest of cables and working with a partner you had to race around the maze in the shortest time possible. We had finals in this activity and the winners were Jona and Ryan. The fourth activity was Stomp-A-Stump whereby you had to stomp as many stumps in 180 seconds. Congratulations to Connor and Fatuma who demolished the record.

There was a room full of costumes where we could create our own outfits and this was definitely the funniest! The different costume rooms were rock punk, medieval, monsters and the future room. The last activity we had to take apart and rebuild robots using an array of pieces.

Thanks to the teachers and staff at Taskworks for a fabulous day!!

**LEVEL 5 PASSPORTS TO LEADERSHIP**
The Level 5 students are embarking on their passports to leadership. Each student has a passport in which they need to collect stamps in preparation of becoming a leader next year. This program entails being recognised for being organised, team work, public speaking, responsible and confidence. Each week at assembly we are going to recognise students who have displayed attributes of becoming a leader which they will need going in to Level 6. Good luck!

**WALKATHON and FUN FOOD DAY**
The latest fundraiser for Chelsea Heights Primary School was the Walkathon and Fun Food Day. On Tuesday 21st of October the whole school participated in the Walkathon. Every student was asked to get a donation pending on how many laps they could walk around the school. While the students were walking around the school, teachers were encouraging us to keep going. It was a long walk but it was all worthwhile when we received our Fun Food Day order and free Zooper Doopers!

Over the next few weeks the Level 6 fundraising will be involved in a number of fundraising initiatives on behalf of CanTeen and the RSL. Students will be visiting classrooms selling Bandanas and Pens to support CanTeen and National Bandana Day on 31st October 2014. Also until November 11, Remembrance Day, students will be selling poppies to support the RSL and those service men and women who have fought for Australia in Wars around the world. We thank you for your support.

Thank you to everyone who supported Purple Day.

We will be making things to send over to the disadvantaged schools in South Africa and looking at their wonderful culture.

Active After School sports program starts again week 3. We have basketball on Wednesday with Matthew from RDK Sports. We have Dance on Thursday with Joanne from a private dance company. All activities run for seven weeks from 4pm to 5pm. It will be great to see all the children participating and enjoying these activities that are funded by the Australia Spots Commission.

The children will continue to have an opportunity to take Buddy Bear home and write and draw about their experience with Buddy Bear by sharing how they are a great buddy. I am sure you will take great care of him.
