Dear Chelsea Heights Families,

I wish to advise that Celestial will no longer be working at Camp Australia- Chelsea Heights Primary School OSHC as the Coordinator. We wish Celestial all the best with her future endeavors in her career with Camp Australia.

Camp Australia in its partnership with Chelsea Heights Primary School is currently recruiting for an eager, passionate and excited new Coordinator who can commit to the quality care we are striving for within the Chelsea Heights community as well as ensure the relationships built with you all are maintained.

In the interim, Nidhi Bhatia who has had a long-standing career with Camp Australia as a coordinator at a large before and after school care centre, as well as many years' experience supporting other programs, Nidhi has her Diploma and is eager to get to know the families and the school community.

Once a permanent replacement is found, all families will receive communication and an introduction letter will be issued to the school community.

The Chelsea Heights Before and After School Care program will continue to operate as usual; between 6:30am to 9am for Before School Care and 3:15pm to 6:30pm for After School Care each school day. We're here to make before and after school care visits the best experience possible – for you and your child.
