

# Foundation Term 4 Overview 2018

Dear Parents/Guardians,

Below is an overview of the content your child will be covering in Term 4 2018. Please be aware that the numbered weeks are approximate, as sometimes our assessments tell us that students might need more time to establish their understanding of a concept, or less time if they already understand a concept.

**POWER STANDARDS** refer to the non-negotiable learning outcomes that you can expect your child to work towards throughout a unit of work.

Please contact your child's classroom teacher should you have any questions relating to this information.
