

# Chelsea Heights Primary Recipe Book

CHPS Parents and Friends Association love to put together events which bring families and the school community together. What better way to do that than by putting together a recipe book so we can share our special family recipes with each other? The wonderful folk at Published Authors are helping us put together a beautiful recipe book which will then be available for purchase in time for Christmas. What a lovely, personal gift for friends and family!

Our first step is the collection of recipes, and **we need your help.**

## NUDE FOOD IDEAS

To ensure a good variety of foods, we are asking different year levels to contribute to different chapters. We would really appreciate it if the **Level 1 and 2 students** could each contribute a recipe for the **Light & Easy** chapter.

Please have a think about a recipe which would make a yummy light meal, entree or side dish, perhaps one you like to make yourself. We'd love it if you could please be creative and come up with some unique ideas, especially if they embrace your cultural background.

If you have a recipe that belongs in another chapter that you absolutely have to share, you are very welcome to upload that too. We ask that each student submits a maximum of two recipes.

Recipes can be uploaded to <http://publishedauthors.com.au/recipes/new/chelsea-heights-primary-school/> or, if you don't have internet access, dropped in at the office and a PFA volunteer will type it in for you.

Could you please submit recipes **before the end of this term**, so before September 22nd.

We look forward to sharing and enjoying your recipes. Please stay tuned for information on how to purchase the Chelsea Heights Primary Recipe Book.

Many thanks from  
CHPS PFA
