Level 6 GARMENT FITTING

Dear Parents,

2019 Level Six Rugby Jumper and Polo Shirt fittings have taken place. When deciding on sizes, students were advised on what size to order as they tend to want the garments to fit **NOW** rather than looking to the following year. Please be aware that your child will need to get a size bigger to allow for growth over summer and through the year. You are more than welcome to confirm sizes prior to confirming your purchase using sample sizes that are available at the office.

Below is the recommended size that shall be ordered for:

Rugby Jumper _____ (size)

Polo Shirt _____ (size)

I have attached the order form once you have determined the appropriate size and which items you would like to purchase.

Thank you

Pia Licciardo
Assistant Principal
