### Literacy

**Reading**

Writers workshop sessions occur weekly outside of Daily 5. Students develop their genre knowledge and understanding, this term we have been working on narratives and persuasives. Look out for a Daily 5 Parent Survey — coming soon!

### Mathematics

Students have been consolidating their knowledge of data and graphing along with applying these skills to real world situations. We have been exploring the best ways to represent data and draw conclusions based on trends and figures.

### Beach Program

On Thursday 10th and Friday 11th of December, the senior school beach program is taking place. The payment was included in your Term 4 levy. We will be leaving at 11am and returning at 3:15pm. Please ensure your students have the necessary items required.

### Level 5

Thank you to the Level 5s for the time and effort put into the Christmas market — the stall was a huge success.

We are looking forward to Monday’s assembly where the new Student Leaders for 2016 will be announced. Congratulations to all students for working through the program. The growth and maturity shown by the students has been acknowledged by the school community.

### Level 6

Preparations are underway for the graduation week activities. The students will be going roller skating, To Food Star and PARC. Culminating in the graduation ceremony on the Thursday 17th December.

### Elizabeth Evans (McConville)

A big congratulations to Liz on her appointment at Mordialloc Secondary College. She will be working with students for Literacy and Numeracy intervention. We will miss her smiley face and bubbly personality. Best of luck in 2016.

Colette Joannidis, Kenny Horn, David Rosser and Lisa Reiffel
