Principal Report

Student Numbers 2017

We are regularly receiving brilliant feedback from parents, community members, educators both teaching and Principal class and Education Department representatives from around Victoria with regards to our school. This feedback has fallen into a number of categories including:

1. The courteous and friendly behaviour of our students in the community and to visitors within the school.
2. The high level of student achievement and learning growth in Literacy and Numeracy, as measured by assessments such as NAPLAN.
3. The high standard in which our grounds and buildings are presented and maintained.
4. The fact that there is always something “going on” at our school which supports both our families and the local community.

The result is that we continue to grow in numbers for 2017 enrolment far exceeding the exiting Level 6 numbers.

As a community we should be proud, as this is a collective achievement and will only benefit our students.
Whole School Review Update

As I have mentioned throughout the year, 2016 is a year of review for our school. We are participating in a Peer Review which will be completed over two days. Our review panel includes Leslie Tulloch from Radii Pty Ltd, as the external reviewer, and Chris Chant, Principal of Gardenvale Primary School and Denise Webster, Principal of Langwarrin Park Primary School as our Challenge Partners. At our first meeting on the 18th of August Chris Chant attended in the role of Acting Senior Advisor Southern Eastern Region and in conjunction with myself, Pia Licciardo, Assistant Principal, Aleesha Wood, Leading Teacher Head of Curriculum, Leslie Tulloch and Denise Webster, we framed the Terms of Reference for the review.

For the remainder of the day the panel members visited classrooms to view our students and teachers in action. They had the opportunity to see the following: Reading, Writing, Spelling, Maths, Play is the Way, Visual Arts, Physical Education and Performing Arts. This time allowed them to experience our school’s teaching models and student engagement. They also sat in on the Foundation Team’s planning meeting and met with Student Leaders, our School Council President, Phil Kimberlee, and the Education Sub Committee Chair, Justin Scott. All members of the panel were extremely impressed by our school. In particular Chris and Denise - who have prior knowledge of our school - spoke glowingly of the highly visible growth that we have achieved.

On Thursday 1st September, our second day of review, the panel will also include staff members who have nominated to join a working party which will be leading the development of our 2017 to 2020 Strategic Plan. Under the headings of; Student Achievement, Student Wellbeing, Student Engagement and resource use within the school the extended panel will complete additional data analysis. The aim of the day is to draft potential goals, targets and key improvement strategies to be included in the new Strategic Plan which will drive teaching and learning within CHPS for the next four years.

On behalf of the school community I would like to thank Phil Kimberlee, our School Council President, for his commitment to our school and the time he has given to our review.

Long Service Leave

I will be taking leave for the first five weeks of term 4. In my absence Ms Licciardo will be filling the Acting Principal Role and Ms Tesone will be filling the Acting Assistant Principal Role. I would like to thank both of these staff members for stepping up into these roles and allowing me to confidently take leave knowing that the school is in good hands. Ms Tesone has had experience in Welfare which at CHPS is led by the Assistant Principal, having previously filled this role in 2015 when Mr Mace was on sick leave. Ms Tesone’s extensive experience in the area of the Program for Students with Disabilities and her strong knowledge of our school will be an invaluable support to Ms Licciardo in my absence. Ms Licciardo will be leading the school and her main focus will be the coordination of students, grades and teaching staff for 2017. I know that the staff and parents of CHPS will support Ms Licciardo and Ms Tesone to ensure the smooth running of our school during this time. If you have any concerns during this time, please follow the Concerns / Complaints process (Policy No: WEL002 RAISING CONCERNS AND COMPLAINTS) and identify the appropriate staff member to speak with by looking at the Flow Chart which should be displayed on your child’s classroom door or can be found via this link: Concerns and Complaints Flowchart
Wilson McCaskill’s ‘Play is the Way’ Parent Session

A number of parents have expressed an interest in our whole school welfare program - Wilson McCaskill’s ‘Play is the Way’. We are very excited that on Wednesday 19th October Wilson McCaskill will be presenting a free interactive parent session for our current and prospective parents. Here is a little excerpt about the program and what to expect on the evening:

Play Is the Way is a methodology for social and emotional learning (SEL) consisting of:
• Physically interactive games that embed self-awareness, consideration and cooperation.
• A specific language that develops self-reflection and self-management.
• Five principles that guide personal behaviour and nurture social awareness and management.

The Play Is The Way process of social and emotional learning (SEL) helps children to,
"develop the fundamental skills for life effectiveness."
CASEL (Collaborative for Social and Emotional Learning)

It teaches the skills,
"we all need to handle ourselves, our relationships and our work effectively and ethically."

Our parent information session gives participants a hands-on experience of the Play Is The Way® methodology. Attendees will participate in activities that illustrate the benefit of the guiding principles and reflective language. Through their own reactions, parents and carers will discover why the games make a powerful tool for social and emotional development.

The session is not a workshop on parenting and does not give advice on parenting within the home and family setting. It does illustrate how the Play Is The Way® methodology works in our school and ways in which parents and carers can support the social and emotional development of their children.

Watch out for further information on this session!

Diving Superstar!

Our diving superstar - Shailey 4B!

We are very proud to say we have a little diving superstar on our hands! I remember a couple of years ago watching the Junior School swimming program and was blown away by this little pocket rocket swimming laps that looked ‘effortless’ with beautiful technique and thought... I think we have a swimming superstar on our hands. Not only is she a super fish; she is becoming a diving queen!

Shailey has been currently diving with the NEL squad in Ringwood which is a Talent Identification Program. This is where she further develops her diving techniques and skills in order to compete internationally within the next 5 -7 years. Anyone who has competed or trained at an elite level knows sport at this level requires extensive practice and dedication. Shailey is completing up to 8 sessions a week and four of these sessions begin at 6am in Ringwood which means a super early start for Shailey and her family.

We are very excited and proud of Shailey and we look forward to hearing more of your diving achievements.

**If there are any other students who wish to share their achievements at assembly – like Shailey, please see me or Mrs Heazlewood.

Concerns and Complaints Process

Chelsea Heights Primary School believes that raising and dealing cooperatively with concerns and complaints plays a constructive role in the continuous improvement and maintenance of a safe and supportive learning environment. In order to support you and your child we have a process in place and this has been slightly modified with the inclusion of our Curriculum Leading Teacher – Aleesha Wood who can further support questions in regards to curriculum in the classroom. Here is the link to this flow chart Concerns and Complaints Flowchart which is also displayed in classrooms and in the office for you to refer to. If you have any queries please don’t hesitate to ask.

Pia Licciardo
Assistant Principal
Curriculum Day Report

On Monday 16th August the staff participated in a Curriculum Day focused around the Framework for Improving Student Outcomes and the Victorian Curriculum. The Framework for Improving Student Outcomes is a new initiative from the Department of Education and Training that has been rolled out to schools this year to help them evaluate their programs and prioritise goals with the aim of improving student achievement, engagement and wellbeing. As outlined in the 2016 Chelsea Heights Primary School Annual Implementation Plan, our key initiatives this year are Curriculum Planning and Assessment, and Building Practice Excellence.

During the second part of the day we looked at the Victorian Curriculum. There are quite a few changes that will come into effect over the next term and in 2017 based on this. The most notable changes are the introduction of four key capabilities that are interwoven through various learning areas. The capabilities are Intercultural, Ethical, Personal & Social and Critical & Creative Thinking. Teachers also cross checked our Chelsea Heights Maths, Reading, Writing, Speaking and Listening, Visual Arts, Performing Arts, Physical Education and Japanese Power Standards to ensure that they are aligned with the achievement standards in the Victorian Curriculum.

The level of collaboration and commitment of all staff was highly evident throughout the day, and many strong discussions were had around best practice and how we can provide the most effective and comprehensive learning experience for all students.

Aleesha Wood – Curriculum Leader

Table: Victorian Curriculum F–10

The Victorian Curriculum F–10 includes both knowledge and skills. These are defined by learning areas and capabilities. This curriculum design assumes that knowledge and skills are transferrable across the curriculum. It is expected that the skills and knowledge defined in the capabilities will be developed, practised, deployed and demonstrated by students in and through their learning across the curriculum.
Anticipation is building as we can see commencement of the transformation of the June Elliott Centre into a sensory room and new learning space. It therefore seems like the optimum time to reflect on the benefits of a purpose built sensory space...

Our students will benefit from its ability to both 'calm' or 'stimulate' them through each of the senses. It is important to keep in mind we are referring to the “7” senses which include the obvious sense of touch, taste, sight, sound and smell as well as the proprioceptive and vestibular senses.

The proprioceptive sense refers to the sensory input and feedback that tells us about movement and body position.

The vestibular sense refers to the sense of balance and spatial awareness. Consideration to all these senses will be given when designing and planning what will be included in our brand new sensory room!

There are a whole host of benefits of a sensory room. Some of these include:

- Sensory Stimulation – by encouraging the user to engage and explore the environment, it can have positive effects on their ability to react and interact with the larger world around them.
- Enhance Learning and Play – following on from this, sensory stimulation can engage different areas of the brain, helping children absorb and retain more information.
- Improve Balance, Movement and Spatial Orientation - Sensory rooms can help develop users’ visual processing abilities as well as their fine and gross motor skills, facilitating day-to-day living.
- Tackle Problems with behaviour - sensory environments can be highly absorbing, providing a moment of comfort and calm for overactive and distressed individuals and helping inactive individuals to feel better engaged. This improves focus and can reduce negative behaviours in the classroom.

These are just a handful of the benefits of a sensory room. We can’t wait!

Check out our exciting plans below!
BOOK WEEK PARADE
Last month PFA had lots of fun hosting the trivia night. We were very happy to see so many families attending this night and everyone seemed to have a great time. Thanks to all those whose came along, participated in the games and dressed up in the 1980’s theme. Hope you had as much fun as we did. PFA would also like to thank all the businesses that donated items to our silent auction and raffle.

The Father’s Day stall was held on Monday 22nd August. All the students enjoyed choosing gifts for their fathers & grandfathers. Hope all the Dads out there have a wonderful day next week and enjoy the presents their child carefully chose.

**FETE 2017**

A fete planning team has started planning the 2017 fete which will be held on Sunday 19th March. So save that date!!! If anyone is keen to join the planning team or have any great ideas then please email or speak to me. We would love involvement from as many people as willing so we can create an amazing event and raise heaps of money for CHPS.

**ART SHOW**

PFA have organised food trucks and the coffee van for the art show so be sure to come along and grab some great food for dinner whilst enjoying the art work of our talented students. There will also be art & craft activities, a photo booth, items for raffle and a silent auction. Sounds like another fun night!!

**FUNDRAISING**

The Entertainment Book is a restaurant and activities guide that provides 25 to 50% off and 2 for 1 offers. Order your copy now through the office or on line on at www.entbook.com.au/184m495 We have available both the book or digital version.

**SECOND HAND UNIFORM SHOP**

Our second hand uniform shop continues to be open during this term. A text message will be sent out regarding these days. Otherwise text Tammy on 0425 758 611.

**PFA CONTACT**

If you have any queries, questions, concerns or suggestions then please feel free to contact Rowena Clayton at email address chps.pfa@gmail.com PFA are starting to think of fundraising ideas and activities for 2017 so if you have anything you’d like to see our school do or try we’d love to hear your ideas. Next PFA meeting is 6/9 at 9am, all welcome.

**Chelsea Heights Primary School**

**Parents and Friends Association.**

Where everyone is welcome.
Library Update

The last few weeks have been very busy in the library with Book Week. Everyone looked fabulous in the parade. There was some very creative ideas and characters — well done everybody!

We have set up a display of shortlisted books and winning books in the foyer for parents and students to look at. If you are not sure what book week is all about, it is basically a chance for students, teachers, libraries, authors, illustrators and families to all come together and celebrate children’s literature. For more information please have a look at: https://cbca.org.au/book-week-2016

We have been focusing on one of the students’ favourite authors, Morris Gleitzman. Morris is appearing at Cheltenham Library on August 30 from 4-5pm. For more information contact 1300 135 668 or book online: www.kingston.vic.gov.au/library.

We have been asking the students for ideas they may have for any library resources and have had a wonderful response. If there is something parents would like to see more of in our library please let library staff know by contacting us on 9772 4139.

Our Lamont Book Fair is coming up on:

September 12th - 15th

This will be a great opportunity for students to purchase books and help raise much need funds for our library. The book fair will be open before and after school so come in say ‘Hi’ and browse a great selection of books!

Story Dogs is working really well, the students love having Sam and Sue reading with them, we are still looking for another dog team so if you know of a dog and volunteer that would love to come into our school and listen to students reading, please let us know or check out www.storydogs.org.au

We look forward to seeing you all at the Book Fair!

Happy Reading!

Miss Allsep and Mrs Caffyn

Physical Education

Chelsea and Patterson District Boys Basketball Final

On Friday, 5th of August the Boys Basketball Team played against Patterson Lakes PS for the District Final. The boys played extremely hard, especially with a short bench. It was a tight game the whole way through and the team trailed by a few points for each of the first three quarters. The boys rallied in the fourth quarter to eventually win 48-41.

Congratulations to the boys for winning the Chelsea and Patterson District Final. The team will move on to the Division Finals which will happen at the beginning of Term Four.

CHPS House Athletics Carnival

On Friday, 29th July students in Levels 3-6 travelled to Ballam Park Athletics Track, Frankston to compete in the Annual CHPS House Athletics Carnival. Well done to all of the students, staff and parents for making it a successful event. Great to see all of students getting into the spirit of wearing their house colours. A big congratulations to Boardman (Green) for winning this year’s House Athletics Carnival. Well done and good luck to all of the students who qualified for District Athletics which is on Friday, 2nd September. Please remember to pay and sign permission forms (on Qkr!) for those selected students. A special thank you to all of the parents who volunteered their time to help with the events during the day.

Mr Stevenson
Physical Education
This month in Japanese class, we have been learning Japanese words associated with the Olympic Games in Rio.

We first covered the names and flags of countries like Japan and Australia and revised the Japanese words for colours on these flags.

Then we did medals and the words for gold, silver and bronze in Japanese, きん, ぎん, どう.

The students helped us come up with very useful mnemonics like “silver Lamborghini” to memorise ぎん or silver.

We practised counting medals in Japanese and even learned some words for sports like swimming, rugby and gymnastics, すいえい, ラグビー, たいそう.

Performing Arts

This term has followed the Music plan and focused on some of the musical elements of beat, rhythm, dynamics, tempo and pitch. There has certainly been a lot of noise in the classroom as students have experimented with Percussion instruments whilst creating their own beat and rhythms.

Some memorable moments from the term:

♦ Foundation singing and playing instruments to ‘Going on a Bear Hunt’ as well as learning the ‘Little Red Wagon’ chant.
♦ Level 1 and Level 2 have been singing and exploring body percussion, they have all enjoyed the Teddy Bear Rap and singing “Revolting Children”
♦ Level 3 have been working towards performing some of their music pieces, including a rap and a self-devised Percussive piece of music. This has been really exciting to watch students create their own percussion pieces to 4/4 time.
♦ Level 4 performed an amazing piece at assembly recently from the musical “Matilda”, they were very brave standing on chairs and singing in front of the school. We look forward to seeing the rap that 4B have put together when they return from camp.
♦ Level 5 and 6 have been concentrating on rap and how to write their own pieces using their iPad.

It has been another great term building up our Performing Arts skills as we get ready for the Christmas Concert on the 16th of December.

A little body percussion piece to try at home:

Rather chat in person? We’d love to speak to you. Call us on 1300 GO ROCK (1300 46 7625)
Fundraising at CHPS

Last year, Rick from Caltex Chelsea Heights generously topped-up the tally raised from this campaign and the school received $500 which went towards the redevelopment of the Foundation Playground. So if you are purchasing petrol or just the bread and milk, remember to say you are from Chelsea Heights PS and a percentage of your purchase will be donated back to our school! Thank you!

Do you have a Ritchies Community Benefits Card? If you shop at any Ritchies or IGA, please nominate CHPS!

- Ask for your free Ritchies Community Benefit Card at your nearest Ritchies supermarket or liquor store.
- Enter the name of the community group that you would like to be the recipient of a donation from Ritchies.
- Your Ritchies Community Benefit Card will be issued and can be used, immediately!

CHPS currently receives about $40—$50 per month from this campaign. Thank you for using your card!

**Community News**

**Chelsea Heights Community Centre**

Learn the art of Japanese Crochet (Amigurumi) and you will soon be making your own beautiful toys and gifts, classes will be held on Wednesdays 9am to 12 noon.

Drop in on Thursday mornings 9.30am to 10.30am for a fun and easy to follow, calorie burning Zumba workout.

If you are looking for a venue for your child’s next birthday, our beautiful childcare room and playground will help take the stress out of your planning.

Financial Mediation and Counselling Victoria (FMC) are running “Drop In” Sessions once a month on a Monday at the Centre. Having money worries? Got utility bills you can’t pay? Need advice on your options? FMC financial capability officer Tracey available onsite for FREE advice. Please ring Centre on 9772-3391 for times and dates.

If you are looking for a venue for your child’s next birthday, our childcare room and playground is the perfect place, especially with the colder wintry weather.

A new Positive Mind, Positive Future 4 week course starting soon at the Centre which provides an opportunity to reassess the quality of your life and help create calm.

Ring 9772 3391 to book, for more details or our Term brochure, and please visit our website for a full program at www.chelseaheightscommunitycentre.com.au or just drop on by.

**Mordialloc Neighbourhood House**

**JUMPING BACK IN**

This course will provide participants with the necessary knowledge, skills and ability to regain their confidence, learn about job application and the interview process. Office technology and digital literacy skills will also be covered.

**TUESDAY & THURSDAY**

10:00am – 12:30pm

Cost: $60, includes all materials.

($50 concession)

**CRAFT, COFFEE AND CHAT**

Our ‘Craft, coffee and chat’, group is now up and running. Bring along your favourite craft projects or enjoy card games / board games, in a relaxed and friendly atmosphere. Coffee, tea and biscuits provided.

The group is facilitated and craft ideas can be swapped and shared within the group.

*EVERY MONDAY: 12.30 – 2.30pm*

*(except during school holidays & Public holidays)*

$2 per week, per person

**Chelsea Kumon Education Centre**

Welcomes new students for 2016 school year

*Math program*

helps to develop perfect calculation skills which are necessary for studying mathematics of any level in the future.

*English program*

Helps to develop reading comprehension skills, improves spelling builds awareness of English grammar.

These skills are necessary to excel not only in English, but also in all other school subjects.

Call or SMS Lena on 0402 065 154 for an appointment.

Student’s testing and introduction to Kumon method are free of charge

**Kilbreda College**

Changes to enrolment process

**Critical dates for 2018 intake:**

17 Feb 2017—all applications to college close.
27 April 2017—offers of places to prospective Y7s posted.
11 May 2017—the final date for families to accept offers.

**Critical dates for 2019 intake:**

25 Aug 2017—all applications to college close.
13 Oct 2017—offers of places to prospective Y7s posted.
27 Oct 2017—the final date for families to accept offers.
