Principal Report

We are only in the third week of Term 3 but so much is happening at CHPS. It is shaping up to be a VERY exciting term:

**Brekky Club** which is coordinated by Sherille Koch commenced this week with a number of students enjoying both hot and cold breakfasts. The menu has included: baked beans, mixed fruit, Weetbix and porridge. On behalf of the school community I would like to thank Sherille and the parents, school staff and students who have put their names on the roster to support this great initiative which has been funded by the State Government at our school. Please note that the latest the children can arrive at Brekky Club is 8:30am in order for the volunteers to serve them in a time.

**100 Days of Foundation** was celebrated in style at Monday morning’s assembly. The Foundation Team put much thought and planning into ensuring that this was a truly joyous celebration. Some of the photos do indicate that all of the hard work had “aged” the teachers and students quite a bit, but they seem to have recovered as the week has progressed.
New carpet was laid in the foyer of the main building during the school holidays. This looks fabulous and we have had many comments from staff, students, visitors, current and prospective parents on how welcoming and fresh it looks.

2017 Enrolments are coming in thick and fast, indicating that we will again be having at least three classes in Foundation During this term my focus is to develop the Budget and workforce plan for 2017. By this I mean that I will be beginning to:

1. Organise the number of grades and their structure
2. Allocate teachers to grades
3. Allocate funding to curriculum, resources, infrastructure and administration of our school

To support the accurate development of the 2017 Work Force Plan it is essential that I have a clear indication of 2017 enrolments.

Could all current parents who have not as yet completed & lodged Enrolment Forms for 2017 Foundation students please do so ASAP. Or in turn if you are aware that your child/children will not be attending CHPS in 2017, could you please inform me in writing ASAP.

It is also around this time of the year that, as parents, you will be beginning to consider your children’s learning needs to support a successful transition to their next level. Organising the indicative enrolment for 2017 of four hundred students and a staff of forty-five plus in a way that recognises everyone’s needs is no easy task. Placement of students and teachers is never a random process and there are many issues to consider i.e. integration aides and their students, friendship groups, learning needs, class sizes just to mention a few.

At Chelsea Heights Primary we pride ourselves in our knowledge of our students and their individual needs. We are however always happy to consider requests from parents to support this process. It is important to note that we do not accept requests for teachers or integration aides. Please read this Class Structure and Student Placement Policy to support your understanding of this process and the timelines which will be strictly adhered to.

Should you wish to communicate any requests for 2017 as stated in the policy - these need to be put in writing, addressed to me and delivered to the office before the end of October, 2016.

It is not possible for us to support parental requests that arrive at the school after the 31st of October, 2016.

Jane Satchwell
Principal
Welcome back to Term 3!

June Elliot Centre

We are very excited building has commenced in the June Elliot Centre to redevelop the site into a multipurpose area which includes:

- a sensory room area

- large sensory garden which will occupy the Outdoor Learning Area (will not impact on the existing structure) and a new decking around the outside of the June Elliot Centre.

- multipurpose space for therapists

- office spaces that will support our Leading Teacher and Student Support Workers (psychologists, speech pathologists)

If you would like to have a look at our architect’s drawings, please feel free to have a look at the welfare display down the main corridor or at the office.

This project is intended to be completed by the end of September. In the meantime it is essential that parents **do not** park in the staff carpark. There will be a number of trucks and tradesman who will be accessing the site using the carpark. This will impact on the limited spaces we have available and will be chaotic and increased safety concerns if you are parking here for pick up and drop offs. Please, I cannot reinforce this enough as the staff carpark is for staff only.
Assistant Principal’s Report

Breakfast Club

The Victorian Government has committed funds to schools to run a Breakfast Club to offer a healthy breakfast for students. This initiative was actioned based on research that indicated that one in seven students arrive at school without eating breakfast, which can affect their learning. Chelsea Heights Primary School is very excited that we have been provided with funding to run this program with the support of Sherille Koch and volunteers. Three days per week in the Green Zone kitchen Sherille and her team of helpers will be providing breakfast for students. If you wish for your child to take part in this program please contact Sherille via the office to ensure your child is on the list and complete associated paperwork. This is a very exciting program and thank you to Sherille for overseeing this.

Pia Licciardo
Assistant Principal

C.E.R.E.S. Excursion

Grade 3 and 4 students braved the cold weather to have a fantastic day out at CERES, Community Environment Park last Friday.

As part of their Geography Unit, they are learning about our biodiversity, natural resources and sustainability.

Students participated in organic gardening tasks, learned about the global footprint our food makes in its journey from seed to the table.

They also learned about the amount of food Australians waste each year (close to 180kg per person) and found ways to help combat this problem such as writing menus and grocery lists for the family.

Mia Young and Paula Baker
(Play is the Way Coordinators)

How much packaging is in your child’s lunch box?

---

Middle School children have started the term with a focus on the Golden Rule:

‘Treat others as you would want them to treat you.’

Lately, our focus has moved on to:

‘It takes great strength to be sensible’ in which students have learning through play and Circle Time discussions on what it takes to be sensible and doing the right thing because it is the best thing to do.
Foundation Children Celebrate 100 Days of School
Foundation - 100 Days of School

On Monday the 25th of July the Foundation students celebrated their first 100 days of primary school. The day commenced with a special assembly where the Foundation students got to show off their ‘100 year old’ costumes. We saw some wonderful and hilarious costumes, as our spritely young students were transformed into the ‘old and wise’ with their fake grey beards, hair rollers, nana shawls and walking sticks. They were then presented with an award to mark the occasion, which was handed to them by our local MP Mr Tim Richardson.

The remainder of the day was filled with fun ‘100’ related activities, such as making a ‘100 year old’ portrait using a scrunched up paper bag for the face and wrinkles, 100 day glasses and making 100 with manipulatives for our math activities.

It was a fantastic day and the kids had a wonderful time – we hope they have fond memories of this day. If you would like to see some of our 100 day activities, please feel free to come and check out the display in the Foundation building hallway.
We hope everyone is feeling nice and refreshed after their recent holidays.

At the end of last term PFA members were let loose in the kitchen at Dominos Patterson Lakes and cooked everyone the pizzas for fun food day.

We would like to say thank you to the families who helped at the Election Day BBQ and market. It was great to see students and families making the effort to help out during the school holidays. Thankfully the weather, although cold, was again on our side, and we were extremely busy selling sausages to lots of very cold people waiting in the voting line and pleasingly we sold out at the BBQ!!

The Father’s Day stall will be held again this year, with lots of great presents for the dads.

TRIVIA NIGHT
Last opportunity to get tickets for the Trivia Night on Saturday July 30th at 7pm. It will be 80’s theme, with prizes for the Best Dressed. It’s sounding like a fun night so organise a babysitter, grab some friends, a bottle of wine and some nibbles and test out your knowledge. Join in with some silent auctions, live auctions and games and have lots of fun. Last minute Tickets ($10) will be available at the door, with 8 or 10 people per table.

FUNDRAISING
The Entertainment Book is a restaurant and activities guide that provides 25% to 50% off and 2 for 1 offers. Order your copy now through the office or on line on at www.entbook.com.au/184m495

We have available both the book or digital version.

Sunscreens remain for sale, available at the office or on QKR!

SECOND HAND UNIFORM SHOP
Our second hand uniform shop continues to be open during this term. A text message will be sent out regarding these days. Otherwise text Tammy

PFA CONTACT
If you have any queries, questions, concerns or suggestions then please feel free to contact Rowena Clayton at email address chps.pfa@gmail.com. PFA are starting to think of fundraising ideas and activities for 2017 so if you have anything you’d like to see our school do or try we’d love to hear your ideas. Next PFA meeting is 2/8 at 6pm, all welcome.

JUL 30th 7 pm
Chelse & Patterson District Girls Volleyball Final

On the last day of Term 2, Chelsea Heights PS hosted the Chelsea and Patterson District Volleyball Final. The girls team played against Seaford PS in a best of three series. Over the course of Term 2 the girls have been practicing the proper rules and skills used in volleyball; different from Term 1 where they were allowed to catch the ball before they passed it or put it over the net.

Below are the results of the final:

**Set 1:** CHPS 25  Seaford 17
**Set 2:** CHPS 16  Seaford 25
**Set 3:** CHPS 25  Seaford 21

Congratulations to the CHPS Girls Volleyball Team for winning the Chelsea and Patterson District Volleyball Final. The girls will move on to the next round at the beginning of Term 4. Well done girls! You should be extremely proud of your accomplishments and how far you’ve come with your skills.

Physical Education

Library Update

Hi everyone and welcome back! We hope you had a wonderful holiday. This term we have our annual Book Week from August 20 – 26 and the theme is “Australia – Story Country”. Every year the Children’s Book Council of Australia celebrate Children's Book Week and announce the book of the year. Libraries and schools across Australia celebrate book week with displays of short listed books and book character parades among other things. Keep an eye on our Library display of shortlisted books that are available for borrowing, who knows you may end up borrowing the book of the year!

If you want more information on the books that have been nominated please check out:

Story Dogs has been extremely successful and looks like it will be a permanent part of our Literacy Support Programme at CHPS. In fact, it has been so well received and we are seeing such great results, we are on the hunt for a new dog team. If you think your dog would work well with children and you can spare some time to read with our selected students then please speak to Kym Allsep in the library for more information and have a look at:

http://storydogs.org.au/

We love having Sam and Sue helping our students read in the library.

Happy Reading!
Miss Allsep and Miss Caffyn

MOORABBIN RUGBY CLUB
KEYS ROAD, CHELTENHAM

COST $10

Online registrations, through melournerebels.com/victorian-rugby/elite-pathways/u12s/ will open 3/8/16 and close 17/8/16
Japanese

The Foundation students have been learning the colours red, white and yellow from a song about tulips blooming. They are beginning to recognize the hiragana words for

**Red** – *aka* あか

**White** – *shiro* しろ

**Yellow** – *kiiro* きろ。

We have been practising our numbers and saying ‘Big’ - *ookii* 大きい。

The Level 1s and 2s have been learning the words for the face:

**Eyes:** *me* め

**Ears:** *mimi* みみ

**Mouth:** *kuchi* くち

**Nose:** *hana* はな

We are practising saying “it hurts” *itai desu* in Japanese. It would be helpful if you could practise these words at home with your children.

There is a weebly site: [www.nihongochps.weebly.com](http://www.nihongochps.weebly.com) which has some of the songs we sing in class.

Visual Arts continued...
Performing Arts

Term 3

As part of the new Scope and Sequence for Performing Arts, each term will focus on a different element of the subject. We have already successfully studied Drama and Dance, so now Term 3 will focus on Music.

Students will be studying the main musical elements of beat, rhythm, dynamics, tempo and pitch.

Examining how they are used to create sound and music with body percussion and the voice. They will also have the opportunity to explore using the instruments and Levels 3 to 6 will be learning to identify and write some of the music notes, read music and translate the written music into a performance.

All of the students will be learning how to sing in a basic harmony and how to put together a rap song. They will be exposed to music from different generations and different styles to help them understand how music can be created and performed.

Each of the activities is scaffolded from Foundation right through to grade 6, so each students’ learning style and ability is catered for and supported. This also enables students who are strong in music, or perhaps play an instrument, the chance to lead sessions and share their knowledge with their peers.

The middle school (3 & 4) will have the opportunity to perform their music pieces later in the term for an audience at assembly. Students will be working with percussion and singing to create some “Stomp” style pieces. This will be performed in week 8.

A very exciting term ahead for all students as we learn about music through exploring, responding and creating and making.

Lauren Heazlewood
Performing Arts

Apply for Music Lessons Now

Starting Term 3 2016, Junior Rockers is very pleased to be able to offer instrumental music lessons right here at Chelsea Heights Primary School! To find out all about our music lessons, head to our website. From there you can check which instruments are available, get up to date pricing and apply for lessons online. Please note, any current music students who wish to continue lessons next term will need to re-enroll with Junior Rockers.

Chelsea Heights Community Centre

On Thursday 18th August 7pm to 8.30pm join us for a delicious new class – A Taste of Thai, hands on fun learning to make the famous Thai Tom Yum soup and delicate spring rolls.

Lots of ways to stay fit during these colder months, Pilates, Zumba, Line Dancing, Ballroom dancing, Table Tennis and parents are loving Kanga training, which is a dance based fitness class while wearing your baby in a carrier on Monday and Fridays at 1pm.

If you are looking for a venue for your child’s next birthday, our childcare room and playground is the perfect place, especially with the colder wintry weather.

A new Positive Mind, Positive Future 4 week course starting soon at the Centre which provides an opportunity to reassess the quality of your life and help create calm.

Ring 9772 3391 to book, for more details or our Term brochure, and please visit our website for a full program at www.chelseaheightscommunitycentre.com.au or just drop on by.

Chelsea Kumon Education Centre

Welcomes new students for 2016 school year

*Math program*
helps to develop perfect calculation skills which are necessary for studying mathematics of any level in the future.

*English program*
Helps to develop reading comprehension skills, improves spelling
builds awareness of English grammar.
These skills are necessary to excel not only in English, but also in all other school subjects.
Call or SMS Lena on 0402 065 154 for an appointment.
Student’s testing and introduction to Kumon method are free of charge
