Principal Report

2017 Foundation Enrolments

Over the majority of Term 2, I have held a minimum of five tours per week for prospective parents. We have a high number of current enrolments and the organisation of class numbers and staffing for 2017 will commence at the beginning of Term 3.

In line with the Kingston Network of Schools Transition policy, all schools within our area will be asking parents to complete and deliver their enrolment forms by **Monday 1st August 2016**.

Could all current parents who have not as yet completed and lodged Enrolment Forms for 2017 Foundation students, please do so ASAP. Or in turn if you are aware that your child/children will not be attending CHPS in 2017, could you please inform me in writing ASAP.

New and updated School Policies

As part of the school review, we updated several school policies and they were passed at the last School Council Meeting. Below are links to the policies that are relevant to our parent community:

- **Camps & Sleepovers**
- **Excursions**
- **School Philosophy**
- **Whole School Curriculum Framework**
- **Student Engagement & Inclusion**
- **Child Protection**
- **Supervision and Duty of Care**
- **Acceptable Use of ICT**
- **Student Injury and First Aid**
- **Student Health Medicine**
- **Anaphylaxis Management**
- **Working with Children Check**
- **Visitors**
- **Level 1-4 Swimming continues**
- **Queen’s Birthday Holiday**
- **Last day of Term 2, 2:30 finish**
- **School Holidays**

**June 2016**

**Sun 29th May**
- Working Bee 9am—1pm

**30th May—8th June**
- Level 1 - 4 Swimming

**Monday 13th June**
- Queen’s Birthday holiday

**Friday 24th June**
- Mid-year Reports go home
- Fun Food Day
- 2:30pm dismissal

**Mon 11th July**
- Term 3 Commences

**Tues 19th July**
- Parent Teacher Interview for Foundation & Junior Schools

**Wed 20th July**
- Student-led Conferences for Middle and Senior Schools

**Sat 30th July**
- School Trivia Night

**Mon 15th August**
- Pupil-free Day
Principal Report cont...

Much has been happening with the buildings and facilities here at CHPS this year. The work on the decking around portables is now completed and the whole area has been given a great facelift. It is such a change and certainly far safer. There is literally no comparison from before ....

To now....

The next step will be the commencement of the redevelopment of the June Elliot Centre. Wednesday of this week was our first meeting with the Project Manager attached to our project by DET, Ramon Hewitt and the architect, Steve Van Truong.

We are happy to say that works will commence soon!

Jane Satchwell
Principal
**Kids Hope**

Over the past few weeks we have had the volunteers from Kids Hope begin working with their students. It has been fabulous to see students engaging in these sessions whether they are playing a game, cooking or involved in craft activities with their mentor. It is a very special program and there have been a number of parents enquiring about this program and how they can get their child involved. At the moment we have a waiting list and we will contact parents when we gain more volunteers. It has fabulous to have a program that has been well received.

**Head Lice**

Head lice continues to be a significant issue and many frustrated parents, students and teachers have expressed their growing concern. To support this issue, we have employed two Head Lice Nurses who will inspect students this term. The first session was on Thursday 19th May and the second inspection will be later this term. The purpose of this program is to support our families. The nurses have some treatment techniques that they can pass on to parents which are cheap and effective.

**Day with the Mayor**

I was fortunate enough to accompany our School Captains – Jack C and Brooke D to the Kingston Council offices in Cheltenham. The leaders spent the day with Tamsin Bearsley, our Mayor, where they were asked for input into ways to improve community playgrounds, libraries and safety when walking to and from school. This invaluable input provided the councillors with a plan forward in our community.

**Junior Mayor**

Thanks to Jack C, Brook D, Ned F and Tarah S for all their hard work and courage in being part of the 2016 Junior Mayor Election in April. The children had to prepare a speech about “What could you do to create a better future for young people?” The team wrote a speech about creating positive mindsets. Well done team!

Pia Licciardo
Assistant Principal
Stop touching things!
The role of fidget toys

Parents have you seen your child waiting in a room, sitting at the dinner table or riding in the back of the car touching things, grabbing something or just wanting things in their hands? Teachers often see their students reach out and grab things, pick up small items from the floor and play with them.

You may wonder why are they doing this? Why must they have something in their hands?

In many of the above situations, children are ‘seeking’ extra sensory input they may otherwise not be receiving from their environment and as such, the more input they get, the more alert and organised their minds can be.

The concept of fidget toys is based on this, where children are seeking things to touch and feel, to provide the ‘just right’ amount of sensory input, to calm their nervous system.

Fidget toys are often used to provide sensory input in a less distracting way. They can help improve concentration and attention to tasks by allowing the brain to filter out the extra sensory information (e.g. listening to a lesson in the classroom, paying attention to a book during circle time). By having a fidget toy, a child may be able to better ‘filter out’ excess sensory information in their surroundings and their own body, which is causing distraction, and encouraging this sensory information to be focused on a toy in their hands.

Our school has purchased a number of these sensory objects and distributed them to the junior and middle classes of the school. The integration team is monitoring their use and effectiveness at helping our students to self-regulate their emotions and improve concentration.

Feel free to ask your child’s teacher if you would like to see the variety of items we have available for all student’s to use.

A sample of our fidget toys
AN INTRODUCTION TO THE 3Rs METHOD OF BEHAVIOUR EDUCATION AT CHPS

The 3Rs Method (Reflection, Repair & Restitution) is a behaviour education methodology that builds self-awareness and self-management skills for children having difficulty with their behaviour. It strengthens relationships, develops empathy, addresses bystander behaviour and makes a genuinely safe school achievable.

The 3Rs Method uses Guide Sheets that, with the guidance of a teacher, explicitly teach Social and Emotional Learning skills, and gives students the opportunity to make the restitution that facilitates the repair of relationships.

It is hoped that after further staff professional development, we will be able to effectively implement the 3Rs Method across all year levels and build a sustainable culture of support, safety and mutual respect at CHPS during Term 3.

CIRCLE TIME

Lately, the 3/4’s circle time discussions, have been around having the ‘strength to be sensible’ which involved us brainstorming ways to self-regulate our behaviour when our feelings (rather than our thinking) take control of us, such as when we are angry, over-excited, sad, or frustrated, etc.

Students have used the 5 senses to come up with ways they can make themselves self-regulate and have developed sayings that help the mind to self-soothe when their feelings are out of control.

Mia Young and Paula Baker

(Play is the Way Coordinators)
RECENT EVENTS

PFA have been very busy over the last month!

Firstly we were blessed with great weather for our **Mother’s Day Market** on the 30th April. This again was a massive day for the school, bringing in lots of people from our local community.

Our **Mothers’ Day Stall** was a great hit with the kids. We hope all the mums and grandmothers had a lovely Mother’s Day and liked their presents.

We saw some very groovy dance moves around the room at our **Freaky Friday Disco**, as well as some amazing and scary costumes.

And finally orders were due for the Molly Dene’s **Pie Drive** on 25th May. Pies will be distributed on Friday 3rd June.

A big thanks is needed for all the parents who helped out at all the events we have held over the last month. What we do is not possible without your help. So thank you so much. Also thank you to After School Care for providing many of the decorations for the disco.

TRIVIA NIGHT

Don’t forget, coming up on Saturday July 30th at 7pm is our Trivia Night. It will be 80’s theme, with prizes for the Best Dressed. We will also be holding silent auctions, live auctions and games. Cheat cards will be available to buy to help you out. Tickets will be $10, with 8 people per table. So grab some friends, a bottle of wine and some nibblies, and get ready to test your brainpower!

FUNDRAISING

The Entertainment Book is a restaurant and activities guide that provides 25 to 50% off and 2 for 1 offers. Order your copy now through the office or on line on at [www.entbook.com.au/184m495](http://www.entbook.com.au/184m495). We have available both the book or digital version.

SECOND HAND UNIFORM SHOP

Our second hand uniform shop continues to be open regularly during Term 2. A text message will be sent out on these days. Otherwise text Tammy on 0425 758 611.

PFA CONTACT

If you have any queries, questions, concerns or suggestions then please feel free to contact Rowena Clayton at email address chps.pfa@gmail.com. Next PFA meeting is Tues 7th June at 9am, all welcome.

Library Update

We would like to send a big THANK YOU to everyone who came in and supported our book fair. It was a big success and our commission was over $400. We were able to purchase some lovely new books for our library. We purchased a variety of genres and the books are now available for borrowing. We also have copies of Lyn Duclos novel “While I Can Still Remember”. Lyn was our guest author at our Literacy Night and has written a beautiful book about the history of the Norfolk Island Pine. We hope you all enjoyed listening to Lyn and her Illustrator Zozie speak about how the book came about, the history of the area, how the illustrations were created and what it is like being an author and an illustrator.

If anyone has any books that are in good condition they no longer want we will gladly take them off your hands. If you have any spare time and would like to volunteer in the library, we are always looking for helpers. It isn’t hard work—just contacting books and sorting out the shelves.

A reminder to students to check at home and your book box for overdue books.

Happy Reading!

Marianna Caffyn and Kym Allsep

Maths Olympiad 2016

On Wednesday 25th May, eleven Level 6 students and six Level 5 students, will participate in the first round of Maths Olympiad for 2016. Maths Olympiad is an international competition that involves the top Mathematics students from each school. Students participate in monthly sessions that aim to stimulate enthusiasm and enjoyment for mathematics and develop flexible problem solving skills and strategies.

The Maths Olympiad has been operating in primary schools since 1987 and in high schools since 2003. Each year thousands of schools participate in the competition from around Australia and New Zealand. We hope that our students enjoy these new challenges and we wish them good luck for the competition.

Paul Duncan
District Cross Country

Congratulations to all of the members of the District Cross Country team that represented Chelsea Heights PS and competed last Friday 20th May at Cornish College. Making it to the District Cross Country Race is a great achievement and all of you should be extremely proud of your efforts. The team had a few top 20 finishers with Baily C and Jackson H just missing the cut to move on to Division. A special congratulations to Riley Gi who finished in 4th place for the 9/10 year old boys race and has qualified to compete at the Division Cross Country Race on Wednesday, June 1st at Cornish College. Best of luck Riley!

Mr Stevenson
Physical Education
In Japanese classes this month Foundation students have been learning Japanese phrases for simple classroom instructions, and also through song and actions the words for drum *taiko* and the adjectives big or *ookii* and small *chiisai*. Students were introduced to the three different types of Japanese script: *hiragana*, *katakana* (which work more or less like our alphabet) and *kanji* (pictorial characters originally borrowed from Chinese).

The Level 1s and 2s got to practise the same words by tracing and then writing in Japanese, which is not easy.

The Level 1s reviewed Japanese numbers - from *ichi*, *ni*, *san*, *shi*, *go*, *roku*, *nana*, *hachi*, *kyuu*, *juu*.

The Level 2s also talked about what they like using ....*suki desu* and not like or ......*suki ja nai desu*. It was interesting to see the different things that they liked and disliked such as *ice-cream*, *football*, *spiders*, *cockroaches*.

Deanna Wegman
Specialist teacher Japanese
In the Visual Arts Studio we are currently wrapping up our Mexican inspired work. Students have responded to artworks by describing and identifying elements of art and have created their own work which demonstrates differing approaches and materials.

Students are moving onto exploring Japanese art through origami, as well as exploring the art of India.
Visual Arts continued...

Level 3 and 4s exploring collage and complementary colours
Performing Arts

Performing Art students have been busy dancing this term. So busy in fact they have been able to learn and perform the Nutbush as a whole school. It was a great event and supported by parents and teachers alike!

In the classroom all have been further developing their skills in the dance elements of body awareness, space, time and energy. The middle and senior students were creating a dance sequence of numbers that matched certain moves. They had to select a sequence and choreograph the moves together, sharing the result with the class.

The Foundation and Junior school continued to create short 8 count dance sequences that used different parts of the body as a focus (upper and lower).

Currently all of the classes are focusing on creating and making dances to be presented towards the end of term for other classes and in some instances for the whole school. The dances vary in their style and the middle and senior school are choreographing the majority of their own routines. They should be pretty amazing to watch later this term.

Here is a list of what is coming up:

**Foundation** — *Let’s get it started*—Hip Hop

**Level 1** — *Stayin Alive*—Bus Stop Line Dance

**Level 2** — *Try Everything*—Hip Hop and Animalisation

**Level 3** — 5, 6, 7, 8—Western themed Line Dance

**Level 4** — *Blame it on the Boogie*—Disco themed Line Dance

**Level 5** — *Thriller*—Jazz

**Level 6** — 6A — *80’s Mash up Jazz/Hip hop/ Cheerleading*

**Level 6** — 6B — *Dub Step/ Contemporary*

Lauren Heazlewood
Performing Arts
Welcome to our ‘i sea, i care’ Ambassadors...

2016 got off to a great start with the Ambassadors taking part in their second workshop of the program, peer teaching. After the boat trips to inspire the new Ambassadors, the hard work of becoming effective champions to promote the marine environment begins. Throughout the year, the Ambassadors stand up and speak in front of their peers and assemblies. These workshops develop skills and confidence to do this, whilst learning about some of our amazing animals and the threat from litter and pollution in a fun and interactive. The third workshop later this term looks at litter and pollution in more detail.

Many thanks to the Ambassadors and Staff at Mentone, Our Lady of the Assumption and Clarinda for being excellent hosts and making us so welcome.

Our brand new website is now up and running and it’s very exciting for Co-ordinators, Ambassadors and Parents alike. Click on the ‘i sea, i care’ button for more information about the program, individual region pages, upcoming workshop information and the latest posts. Ambassadors can post replies on the blogs and even send us photos of their activities to upload. And the best thing is NO PASSWORD.

We want you to use the website as much as possible so give it a go. Parents, if you would like more information about us, send an email to admin@dolphinresearch.org.au and go on our e-bulletin mailing list.

On Sunday, May 1st, Ambassadors from 21 ‘i sea, i care’ schools gathered at Hastings foreshore. They walked (some ran!) for Western Port in the rain and wind! This is a day for Ambassadors from our seven regions to gather together and show that Victoria’s living marine treasures are too precious to lose!

Open Day

Our Family and Children's Centres open their doors on Saturday 28 May

Edithvale Family and Children's Centre 10am – 12 noon
Parkdale Family and Children's Centre 12.30pm – 2.30pm

Come along on Saturday 28 May to check out Council's state of the art family and children's services at Edithvale and Parkdale.

Opened just last year, each centre offers full time and part time childcare; four year old seasonal kindergarten; three year old sessional pre-kindergarten; and our Kindergarten PLUS program that delivers additional hours of learning and focuses on preparing your child for school.

Drop in and see for yourself why our centres have been independently assessed as being in the top 25% of services nationally.

Chelsea Heights Community Centre

If you are looking for a venue for your child’s next birthday, our childcare room and playground is the perfect place, especially with colder weather coming.

Learn the art of Japanese Crochet (Amigurumi) and you will soon be making your own beautiful toys and gifts, classes will be held on Wednesdays 9am to 12 noon.

Drop in on Thursday mornings 9.30am to 10.30am for a fun and easy to follow, calorie burning Zumba workout.

NEW at Chelsea Heights Community Centre is Meditation for Life with Shekhar. There will be time for mediation, conversations, silence and sharing. Lesson cost is $6 per class on Wednesdays at 1.30pm-2.30pm, starting on 8th June.

Phone 9772 3391 to book, for more details or our Term brochure, and please visit our website for a full program at www.chelseaheightscommunitycentre.com.au or just drop on by.
**GUARDIAN ANGELS**

**Mark Ratchford** is taking on a challenge by travelling 16500km around Australia by water in a little 22ft boat raising funds to cure cancer. Keeping him safe on this journey is a guard of Angels whose names will appear on the boat he is travelling in. The Angels that are escorting him on this quest are your loved ones who have passed over. This journey will give you the opportunity to follow your loved one’s journey, via a video link whilst they keep Mark safe to complete his quest for a cure.

If you want your Angel to join Mark on his quest, then for a donation of $50 or more your Angel’s name will appear on the side of the boat. They will be featured on the My Angel page on the fishforlife.org.au website. Mark will be stopping at 90 destinations and completing 80 fundraising events at communities along the way.

The quest is to raise as much funds as possible to donate to the Cancer Council to help find a cure for this horrible disease. Please keep in mind it does not matter what country finds the cure as long as we find a cure the world will benefit and marks aim is to help all. Mark needs your Angels on board to keep him safe on his journey, so please bring them on board for the Journey of Angels.

**Marks background:**

In all facets of his life, Mark has seen people he’s cared deeply about – from professional mentors; to family friends; to infant children of family friends – lose their battles to cancer. It has affected Mark so deeply that the man who drives interstate trucks during the week and runs fishing charters on weekends has found a way to combine two of his biggest passions – raising money and awareness in the fight against cancer, and hitting the open water.

“I’ve just seen so many people touched by the disease, and so many good people lose their lives,” Mark said.

“I woke up one morning and said to my wife: ‘I want to do something - something big’.

So, Mark has harnessed all the connections he’s built through his time in the transportation and fishing industries to make his dream a reality.

He’s had his boat and its engine donated, but his calls for help won’t stop there. Not by a long shot.

---

**Mordialloc Neighbourhood House**

**Writing for Pleasure and Publication**

Write for your own pleasure in a friendly and supportive environment. Discover what you want to write and how to write it.

This class is for adults.
MONDAY: 10.00am – 12.30pm

New students are welcome throughout the year

Volunteer Host Families Needed!

World Education Program (WEP) is a not-for-profit student exchange organisation approved by the regulatory authorities in VIC. We are urgently looking for volunteer host families for exchange students arriving in July 2016 for a term, semester or year.

Imagine knowing someone who:
• runs around in shorts and t-shirt in the middle of an Australian winter because the temperature is equivalent to summertime in the student's home country,
• takes a photo of a meal you have prepared to send overseas because it looks so different,
• is amazed that we can travel for hours and still be in the same state of one country.

How does it work?
You can choose a student who you think will fit best into your family. WEP host families are responsible for providing the exchange student with a room (can be shared with sibling of same sex and similar age), meals and a welcoming family environment. In return, you will gain a new family member and friend for life. All WEP students come with their own spending money and insurance.

Arriving Soon:
Alessandro (Italy) “I am friendly, open-minded and curious about other people and cultures. I am passionate about sport. I particularly enjoy basketball, martial arts and playing table tennis. I also enjoy reading and listing to music. I look forward to this amazing opportunity!”
Maurizio (Italy) “Hello! I am open-minded, curious and very determined to learn English as well as I possibly can. I play water polo three times a week and I spend a lot of time reading. I can’t wait to come to Australia, be part of my host family and learn about their culture!”
+ many more

Find out more!
Simply jump online or contact WEP today to receive a free information pack including student profiles.
