Congratulations to Miss Licciardo

On behalf of the Chelsea Heights Primary School community, I would like to congratulate Pia Licciardo on her appointment to the position of Assistant Principal at CHPS.

This appointment is the culmination of a process which takes between four and six weeks. After the position was advertised online for 2 weeks a panel comprising Luke Aldred, Michelle Liddle (Principal from Chelsea Primary) and myself met to complete the following;

- The discussion of bias and/or prior knowledge we may have in relation to the applicants and the role

- The development of a list of points we were looking for when reading the Key Selection Criteria that applicants responded to.

- The building of a jointly developed scoring rubric to ensure consistency in marking from all panel members.

The above process supported the panel to use the responses to the Key Selection Criteria as a lens to gain an understanding of the applicants and who might be the best fit for our school, enabling our school community to continue to move forward.

After reading all of the applications the panel met to share their thoughts and shortlisted for interview. An impressive selection of applicants was invited to interview, all of whom demonstrated a breadth of experience and strong values. Interviews were held at Mordialloc SC on Thursday the 15th October. The candidates interviewed to a high level and demonstrated the different qualities and abilities that they could bring to our school in the role of Assistant Principal. A number of referees were contacted to further support the applicants and inform the decision by the panel.

Ms Licciardo demonstrated to the panel her;

- extensive knowledge of the Program for Students with Disabilities
- working understanding of the DET funding model which supports this program
- skills in team management and whole school timetabling
- working knowledge of the school’s Strategic Plan and Annual Implementation Plan
- experience with the Student Resource Package which funds staffing and curriculum
- ability to fulfil the role through practical examples of the impact she has had on the school whilst acting in the role throughout the end of Term 2 and all of Term 3

Therefore, after completing this thorough and comprehensive process Miss Licciardo’s written application, interview and referee reports resulted in the panel being thrilled to offer her the role of Assistant Principal at our school.
Foundation Transition Evening

On Monday the 26th of October the Foundation team ran a parent information evening with the focus being curriculum at CHPS. Parents rotated through four fifteen minute workshops:

1. Literacy
2. Maths
3. Play is the Way
4. Visual Arts

In this workshop they had the opportunity to not only take part in examples of the activities that their children will complete next year but also develop an understanding of the purpose behind them.

Thank you to all of our future and current parents who participated in this fun and informative evening.

A big thank you also to Luke Aldred (Foundation Leader), Di Schmidt (Foundation Transition Coordinator), Ellen Cake, Razz Brown (Specialist Leader) and Pia Licciardo for their participation in the evening. The support of the Senior Sub school in the set up for the evening and our office staff for their coordination of refreshments was also very much appreciated.

Can you help us???

The Buildings and Grounds Sub Committee of School Council is looking for:

1. Any members of our school community with landscaping experience, to support us to grow some ideas we have for our grounds.
2. Mums or dads who have a few power tools and could put new tops on student tables and add tub tracks to them either at our working bee on Sunday the 15th of November or at another negotiated time.

Trivia Night

Our hard-working Parents and Friends Association have done it yet again! Last Friday’s trivia night was pacy, funny and hugely enjoyable. Having to demonstrate my VERY limited dance moves was not high on my favourites list but as with everyone else, Neil and I had a brilliant time!
Assistant Principal Report

At Chelsea Heights Primary School we are continuing to develop a reputation for the support we are providing our students both in and outside the classroom. We believe that the best way to support students is to provide them with strategies to overcome difficult situations rather than walking away when things get too difficult.

Currently, at lunchtime, we are using the support of integration and teaching staff to support students in the yard. Our yard duty data indicates that there has been a significant decrease in yard duty incidents and we feel that the extra support we are providing has had a profound impact on students making stronger choices in the yard. Some of the supports we have in place are:

**Lunchtime Club:** This occurs in half an hour blocks in the Green Zone where students can participate in Art Therapy, Technology and Games. This provides them with a space where they can socialise with their peers in a small group situation.

**Social Skills Group:** A number of teachers are running Social Skills groups where students play games in order to support them to build stronger relationships with their peers. This also provides them with an opportunity where a teacher can talk them through issues they may face and provide them with necessary strategies.

**Sport Groups:** A number of teachers are running sport sessions particularly with the senior students in our school. Again this monitored play provides students with opportunities to have the support of the teacher especially when they are competitive situations.

We are also looking to introduce a Lego Club. If you can or know of anyone who would like to donate Lego to support this club we would very much appreciate it. Currently we have a small tub of Lego and if we are to support a small group of students we need to increase our Lego quite significantly.

Pia Licciardo
Assistant Principal

CHPS Parent Support Group

CHPS Parent Support Group gives our parents and staff a chance to catch up and share ideas, offer support, interact together, meet new people and raise any issues or concerns regarding their children. It is a group that offers advice if you are unsure who to talk to or where to go. Come and meet other families who may be going through the same issues as you. We all have experiences we can share, advice to give and receive. We all bring unique ideas and ways of support to the meetings. We will be running information sessions on parenting matters in the future. Our next meeting is yet to be confirmed, a notice will go out shortly. We hope to see you there!

Cystic Fibrosis—Great Strides

As many of you know Zahra Cameron Level 6 and Izack Nessel Level 4 have a medical condition called Cystic Fibrosis. They undergo constant medical treatments and physiotherapy. Currently there is no cure.

On 8th November Zahra and Izack will be participating in the 4 km walk in, Great Strides. This is a fun run or walk which raises awareness and funds for cystic fibrosis organizations around Australia.

If you would like to donate please do so here: [https://gs2015melb.everydayhero.com/au/christie](https://gs2015melb.everydayhero.com/au/christie)

Firstly I would like to say a huge thank you to all the parents, families, students and staff who came into the library for book fair - it was a roaring success and we raised a phenomenal:

$3,133!

All the money raised goes towards new books for our library, we now have a good selection of David Walliams books, more Minecraft and Tom Gates books, more copies of the Treehouse series and updated books for the senior kids such as the Divergent and Maze Runner books.

I would also like to thank those who were involved in our yarn art project for this year. You all did a wonderful job — the library smelt wonderful on Tuesday afternoons! We were also lucky to receive a junior copy of the book Meet Snugglepot & Cuddlepie which was kindly donated by Miss Jane Fitchett—thank you Miss Jane!

I would like to inform parents that later this term there will be a notice going home informing families of when the library will be closed for stocktake. I ask that all students start bringing in any overdue resources now so stocktake can run smoothly. If the resources cannot be found then please do not hesitate to let me know so I can update the library system accordingly. I can be contacted on allsep.kym.k@edumail.vic.gov.au, or at school on 9772 4139.

I have lots of books that need contacting - if anyone can spare some time to come in and help that would be greatly appreciated!!

HAPPY READING 😊

Kym Allsep

TRIVIA NIGHT

Our Trivia Night was held on Friday the 23rd of October and it was a great night. Still counting the figures but some great funds were raised for the school and lots of people came out with prizes and silent auction items donated by some lovely local businesses. They were as follows – Chelsea Heights Pharmacy, Silly Seahorse, GP Car Care, Tyres & More, Temptation Bakery, Longbeach Automotive, Tara’s Beautique, Salon Baroque, Kennedy’s Fitness, Laser Clinics Australia, Painfit, Partners in Planning, Kym Allsep, IGA Chelsea Heights, Rayne, Hain and Shine and Moonlit Sanctuary. The donations and support from our local community was so overwhelming I hope I haven’t forgotten anyone.

A special thank you needs to go to our local member Tim Richardson who not only supported us by bringing along a table of 10 but donating the raffle prize of a dinner on the Tram Car Restaurant.

We would like to also thank the team from iSell who also came along on the night to support the school as they do throughout the year. The night was full of games, trivia, dancing and lots of laughs and I hope everyone who came along had a great night.

WALK-A-THON—FRIDAY 6TH NOV

Don’t forget to get out over the Cup Weekend and get all your sponsors on board. Forms are due back on Wednesday 4th November. Fun food day is the same day. Bring along your drink bottle, hat and sunscreen.

SECOND HAND UNIFORM SHOP

Last Thurs of the month 8:40 - 9:10am. Held in the PFA room (next to the basketball court) or by appt text Tammy on 0425 758 611.

CONTACT

Any queries, questions, concerns or suggestions can be emailed to Cassie Ellingsen at: chps.pfa@gmail.com
Term 4 Walk-a-thon Fun Food Day with Qkr!

Friday 6th November – Walk-a-thon day

1 x Cheese and bacon OR 1 x Vegemite scroll - $2.50 each
1 x Chocolate Mousse OR 1 x Strawberry Mousse - $1.00
1 x drink (Cordial or water)

Note: Please supply a named drink bottle or you can purchase a CHPS drink bottle separately – see below

CHPS drink bottle- $2.50
Zooper Doopers - 50c

Please note THE CANTEEN WILL BE CLOSED on this day.
Zooper Doopers will also be on sale at lunchtime from the canteen for 50c
Ordering will be closed at 3:30pm on Wednesday 4th November.

No late orders will be excepted.

NOTE: If you are unable to access Qkr! please contact the office - 9772 4139
In this edition of the newsletter I report pleasing progress in the Level 1 and Foundation students learning Nihongo, the Japanese language.

Level 1s continued colours and folded origami in the shape of dog faces. This group even took their new skills outside of the class room to make more in lunch time.

Song and dance also featured with a catchy number called Oni no pantsu – the ogre’s pants, with all students (and yes the teachers too) donning a pair of these indestructible pants, even if worn for more than 10 years. Yes, I do take orders (just kidding!)

The girls:

The boys:

In Foundation we have been learning names for zoo animals by practicing our sentences from the famous story Brown Bear, What Do You See? We used simple signs to remember the words....

drew the animals....

...and used a mystery door box, with a different animal behind each door, even a cheeky monkey!

Deanna Wegman
Specialist teacher Japanese
Maths Olympiad 2015

This year 22 students from Level 5 and Level 6 were picked to be a part of our first Chelsea Heights Primary School Australasian Problem Solving Mathematical Olympiad team, otherwise known as our first Maths Olympiad team!! The Junior Division Olympiad (Division J) is specifically designed to stimulate and challenge students at a primary school level. It teaches major problem solving strategies and strengthens students' mathematical intuition prior to starting high school.

The CHPS students involved in this program demonstrated a high level of critical thinking and used a variety of problem solving strategies. During the year, the team were challenged in weekly Maths Olympiad sessions on a Monday with Miss Wood, Miss. Licciardo and Miss. Evans. During these sessions the students were able to brainstorm, test and then check the mathematical thinking and reasoning they were applying to solve problems. The students developed their strategies and experienced multiple ways to attack a question.

There were 5 maths Olympiads from May to September, where the students sat in individual test conditions to complete 5 problems within a set time frame, usually around 25 minutes. These results were then sent off to the APSMO to be tracked against all the other schools involved. The students were told their score after round and tracked their progressive score.

We would like to congratulate all the 22 students on their participation, effort and high level of thinking. We would also like to celebrate the success of 5 students who received special acknowledgment for being in top percentiles in the Olympiads.

Congratulations to Kattie Zhong and Jane Butcher for finishing 5th and 4th respectfully in our team and finishing in the top 40% percentile for the competition.

Congratulations to Vika Vasilenko and Amba Rogers for finishing equal 2nd in our team and in the top 30% percentile for the competition.

Congratulations to Viktor Sirucek for finishing 1st in our team as well as in the top 20% of the competition.

We are looking forward to running this program in 2016 and beyond. It is a valuable part of our Mathematics program at CHPS that develops skills and unique thinking.

Australian Maths Competition

On Thursday 30th July, 29 students from Levels 3 -6 took on the challenge of competing in the Australian Maths Competition. The competition covered questions based on number, algebra, geometry, measurement, statistics and probability, and problem solving skills. The competition was open to ALL students in the mentioned levels, and it was fantastic to see so many students show a willingness to ‘step into the unknown’ and try something new!

We are very proud of all the students who competed in the Australian Maths Competition and would like to commend them on their bravery and persistence. Students were scored based on the number of questions they got correct and these were translated into percentile rankings to compare them to other students in Australia who competed. From there, students were awarded in the following categories: P=Prize, H=High Distinction, D=Distinction, C=Credit, Pr=Proficiency, Pa=Participation.

We would like to give a special mention to Victor Sirucek who received a DISTINCTION scoring in the 90th percentile of Level 6 students, and the following students Tulip Hutchinson, Tyler Cook, Alyssa Vervark, Sanya Jayasekera, Emily Cox, Roxanne Ilyes, Lachlan Tomlinson, Hedy Shi and Rebecca Lilly who all received a CREDIT in their divisions. Congratulations!

We look forward to seeing lots of students join us for this competition next year!

Aleesha Wood & Liz Evans
(Maths and Reading Specialists)
The Art Studio is looking for donations of unwanted DVDs and CDs to use in this year's level six mural. Thank you.

Foundation—Exploring perspective through birds-eye view snowmen

Level 1 and 2—Exploring perspective—Here, near and far.

Level 3 and 4 The Scream—exploring one point perspective

By Marcos Moreno 4A
Level 5 and 6 Exploring perspective through foreshortening

By Mitchell Leong 6A

By Georgia Cox 6B
CHPS Division Athletics Team

Congratulations to the CHPS Division Athletics Team who competed extremely hard on Wednesday 7th October at Duncan McKinnon Athletics Track. You should be very proud of your accomplishments and how you represented CHPS. The following students were members of the team that competed at Division:

Riley Gibbons, Mer Nyawelo, Jack Claypole, Denzel Timons, Tara Sujica, Viktor Sirucek, Ashton Lawrence and Pal Bidong.

A special thank you to Steve and Shell Lawrence, Bronwyn Claypole and Daniel Sujica for driving students to the event and supporting the team.

Sporting Schools - Netball

As part of the Sporting Schools Grant that we received in Term 3, the Level 1 and 2 students will be participating in four netball sessions over the next four weeks. Each class is learning basic netball skills as well as some social skills during these sessions. The sessions are run by a coach from Netball Victoria.

National Health and PE Week

12 - 16 October 2015; Week 2, Term 4

During the week of October 12th-16th it was National Health & Physical Education Week. Chelsea Heights PS celebrated HPE Week by having health and physical activities during every day during lunch. Students participated in physical activities such as jump rope, just dance, fitness circuit and concluded with a staff v students basketball game in which the staff just got over the line with the win after a furious come-back by the students. Teachers and students also participated in HPE Week activities in their classrooms. Thank you to the staff and students for their support for such an important week.
Our Snugglepot and Cuddlepie Yarn Art display has been installed on the fence along Thames Promenade and is being enjoyed not only by the CHPS school community but also by the wider community of the Kingston and Frankston regions. The feedback we have received has been wonderful, with many people making special trips to see what our students have created. I personally want to thank all the students and parent/grandparent helpers involved. Their enthusiasm and dedication to the project created a display that many are saying is even better than last year!  

continued over page......
With the aim of this year’s Yarn Art club being to introduce students to many varied textile techniques, our last two sessions were spent working on two characters using a contact printing technique often called ‘Eco Printing’. A variety of gum leaves, gumnuts and onion skins were placed on pre-knitted pieces and then rolled into a bundle, with the aim to create permanent coloured markings on the pieces. After the session, I took them home and ‘cooked’ the pieces to release the dyes in the plants - bringing them back the next week for the unveiling. There were lots of oohhhs and ahhhhs as we unravelled our snake and lizard to reveal the very impressive results!

Yarn Art Club is continuing for Term 4 on a Tuesday lunchtime for any Level 4, 5 and 6s interested. This term we are working on decorating a bike and knitting strips that will be stitched together to create blankets to be given to the Knit-a-row-and-go group to distribute to charities in the local area. We are also looking for donations of ACRYLIC 8 ply yarn in bright colours to help us create these projects. If you can help, please label them ‘For Yarn Art Group’ and leave them at the office.

For more information on the Longbeach Urban YarnArt Trail go to:

www.facebook.com/longbeachurbanyarnart

For more information on the Knit-a-row-and go Group go to:

Jane Fitchett (Yarn Art co-ordinator)
The Good Guys Moorabbin Fundraiser
If you purchase something from The Good Guys Moorabbin, please let them know before you pay that you are from Chelsea Heights Primary School. For every $50 you spend, we got a $1 voucher from

Old CDs and DVDs to the Art Room
Mrs Brown is collecting old CDs and DVDs for future artworks. Please send them in with your child so they can be taken to the art room. Thank you.

Christmas Market and Car Boot Sale
If you are interested in having an outdoor ‘Car Boot Sale’ at this market, you can find an application form on the school website’s ‘Notices’ page or collect one from the school office.

A Car Boot stall is $20—payable on Qkr! or at the office once your application has been approved.

Note: all car boot sale goods to be pre-loved/used.

You can also apply for an indoor stall if you are selling new goods/craft—applications are also on the school website’s ‘Notices’ page.

Stalls are $35—payable on Qkr! once application approved.

Old CDs and DVDs to the Art Room
Mrs Brown is collecting old CDs and DVDs for future artworks. Please send them in with your child so they can be taken to the art room. Thank you.
Hello,

Please remember to go online to check or cancel bookings and update details regularly so we can run an efficient service and remember there is a 7 days cancellation policy prior to all cancellations.

**Dates to remember:**

- **Monday 2nd Nov 2015** – Curriculum Day – No Service
- **Tuesday 3rd Nov 2015** – Melbourne Cup Public Holiday - No service
- **Wednesday 11th Nov** – Diwali Day Celebrations at After Care
- **Friday 18th Dec 2015** – Last Day of School Year – Service open BSC 6.30am to 9.00am ASC 1.30 pm to 6.30 pm

Every year The Camp Australia Foundation (Tcaf) raise money for the Smith Family to help disadvantage children and families through their learning for life program. This year the children at Chelsea Heights OSHC voted to do a raffle and an olden-day games day. A big thank you to everyone who bought tickets and the students who volunteered their time to help. We raised a grand total of $82.00 for the Smith Family.

The first two weeks of the term we learnt about the life cycle of frogs and watched some tadpoles grow and change into froglets with little legs. Unfortunately we had to return them to their home before they turned to fully grown frogs. It was very exciting. We made a diorama pond with modelling clay frogs and tadpoles.

This term we are supporting The Camp Australia Foundation and Oxfam in the Junior Global Citizen Program by making Christmas gifts for the children of Port Elizabeth in South Africa. The children are becoming aware of the world and its diversities and what it means to make a difference in the lives of people less fortunate than us.

We also had a great time carving our Halloween Jack-o-Lantern and making origami ghosts, pumpkins and bats.

On Wed 11th Nov we will be having our annual Diwali Day Celebrations. We will try Indian sweets and spring rolls, have henna tattoos, sparkles and dress up in traditional dress. Hope to see you there to celebrate The Indian New Year.

**A BIG OSHC THANK YOU TO THE FOLLOWING FAMILIES:**

A BIG thank you to The Pathik Family for their donation of spare uniforms for any unforeseen accidents.

A BIG thank you to The Ingram Family and FOTZ for their donation of cups. We all love drinking out of them.

A BIG thank you to Cooper Hewitt and family for donating magazines & recyclables for our construction material.

A BIG thank you to Alyssa Vervark for donating her spare Woolworths Animal cards for our OSHC folder. It was very kind of you Alyssa. The children will enjoy looking at them.

Have great month and remember to look after yourselves and each other.

Thank you

Mandie Murray
OSHC Coordinator

Can Saver Plus assist you with school costs?

Join Saver Plus and match your savings, dollar for dollar, up to $500 for educational costs including:

- school uniforms and text books
- computers, laptops and tablets
- excursions and camps
- sports equipment, uniforms and lessons
- music tuition and instrument hire.

You may be eligible if you have a Health Care or Pensioner Concession Card, are at least 18 years old, have some regular income from work (you or your partner), such as full-time, part-time, casual or seasonal work, and have a child at school or study yourself.

Contact Henry Frenkel, your local Saver Plus Worker:
0488 069 627
or saverplus@bsl.org.au

Saver Plus was developed by ANZ and the Brotherhood of St Laurence and is delivered in your local area.
The program is funded by ANZ and the Australian Government.

DANDENONG SHOW  
November 14th & 15th 2015  
Where the city meets the country, the Dandenong Show has lots to offer; farm animals, dogs, arts and crafts, amusement rides, show-bags and fireworks. Don’t forget to visit the animal nursery and look out for the free entertainment. There is something for everyone!  
Dandenong Show Grounds – Greaves Reserve, Bennet Street Dandenong  
For further information please see our website www.Dandyshow.com.au
News from Chelsea Heights Community Centre

On a Wednesday and Thursday mornings Occasional Care from 9am to 1pm offers 4 hours of quality care for children - from babies to five year olds.

Cost $35 per child and bookings are essential.

Transparent Mosaics – Saturday 14th November 10am - 4pm

Make something unique and special for yourself, family and friends. This is a six hour workshop where everyone can choose a blank transparent shape – heart, circle or rectangle then make their own transparent mosaic mobile.

Cost $95 - $55 for workshop, $40 for materials to be paid to Tutor on the day.

Bookings essential.

Keeping Safe & Mobile – Thursday 12th November 10.30am-12.30pm (FREE)

This workshop provides free professional advice from driving educators and an occupational therapist on safe driving strategies, road, rules, vehicle safety, health.

Children’s Party Room – if you are looking for a venue for your child’s next birthday we have a beautiful room, with tables and chairs for up to 21 children a fully equipped kitchen and an outdoor playground area at the side of the room.

Ring 9772 3391 to book, for more details or our Term brochure, and please visit our website for a full program at www.chelseaheightscommunitycentre.com.au or just drop on by.

Are Baby Teeth Important?

It is sometimes a common misconception that baby teeth don’t matter because they will eventually fall out and be replaced with adult teeth. In actual fact, baby teeth do indeed matter and can have a crucial role in your child’s physical, social and emotional growth and development.

Maintaining healthy baby teeth can:

- Help maintain a healthy and nutritious diet by enabling your child to chew properly
- Help speech development
- Keep your child focused in school without being distracted by dental pain
- Maintain space in the jaw for adult teeth and could potentially save mum and dad a lot of money down the track by minimizing and avoiding unnecessary orthodontic treatment
- Help with their self esteem by providing a beautiful smile

Has your child had a dental appointment in the last 6 months? If not, why not call us at Aspendale Gardens Dental Care on 9580 3200 or come in and talk to one of our friendly staff about making an appointment. You may also be eligible for up to $1000 of dental treatment for your child if you receive the Family Tax Benefit A. Call or visit us to find out if your child is eligible.

Come visit the team from Aspendale Gardens Dental Care on November 14th at the Bi-annual community day held by AGRA (Aspendale Gardens Residents Association) at Aspendale Gardens Shopping Centre. This is sure to be a fun day for the whole family with plenty to do. Also, if you would like to see just how well you are brushing your teeth + get a free tooth brush and show bag, don’t forget to come past our clinic. We will have a number of our friendly staff on hand to answer any dental questions you may have so drop by and say hello! We look forward to meeting you there.
